

# CITY-WIDE BUDGET MARCH

Because it's not just simply a "Math Problem" like Mayor Newsom implies. It's about the integrity of our city, it's about real working people, and it's about our future!

To Save Our Jobs  
To Save City Services  
To Save San Francisco!

Wednesday, June 10th  
4:30 PM at City Hall

We'll surround City Hall! Bring signs that reflect your department and your co-workers.  
For more information, contact your Work Site Organizer!

"Newsom also said the Mayor's Office would get a 28% cut, but the figures show only 9% of his staff are being laid off – and the division that runs his media operation would actually get bigger."

~Paul Hogarth, BeyondChron, Daily Kos
