

Town Workers Making the Town Work For Everyone

SEIU 1021 City of Oakland Contract Negotiations News
UPDATED July 5, 2019

Tell the City to Come Back to the Table

Two weeks ago, the City's representatives walked away from the bargaining table, claiming negotiations were at an impasse. This claim was a lie: we were hard at work, passing proposals and counterproposals, so we immediately filed an unfair labor practice charge against them.

On Monday, City Council passed a budget. The budget didn't address our issues adequately, and on Tuesday, our members stormed City Hall with Local 21 and delivered a message to City Administrator Sabrina Landreth: get your representatives back to the table, and tell them to bargain in good faith.
