

April 20: TELL THE SF HEALTH COMMISSION: NO CUTS! NO CLOSURES!

Monday, April 20

Gather at 3:30 p.m. Hearing begins at 4 p.m.

SF City Hall, Room 408

Wear your union shirt!

In addition to layoffs, the SF Department of Public Health plans to close 3 community clinics serving vulnerable populations: the Cole Street Youth Clinic, the Michael Baxter Larkin Street Youth Clinic, and the South East Mission Geriatric Clinic.

These clinics are vital to the people they serve and the entire SF community. They are unique and will leave their patients without accessible options.

Join us to tell the Health Commission it needs to change course.
