

# SEIU Local 1021 Alameda County Chapter

## CONTRACT FIGHT HEATS UP

Alameda county continues to undermine the bargaining process five months after the contract expired. SEIU 1021 members are still fighting for a fair COLA, affordable healthcare, and more staff. We need to turn up the heat and get ready for a potential strike by showing up to the Board of Supervisors' budget hearing at the end of this month to finalize the budget.

Members must show up in large numbers to protect our community! We plan to show up at 1221 Oak St. from noon -1 p.m. on either 6/23 or 6/25. depending on scheduling - please RSVP for BOTH DATES by scanning a QR code below.

Our leadership will also host two virtual town halls on 6/16 and 6/18 to provide bargaining updates and answer questions about upcoming actions, including a potential STRIKE. We need everyone to learn what it will take to win a fair contract. Scan a second QR code to register below.
