

SEIU Local 1021 Alameda Health System

Update for June 26, 2026

NO LAYOFFS!

We Fought—And We WON!

Our Board Action on June 30
Is **CANCELLED**

Because of the incredible work of SEIU 1021 members across AHS, including the impact bargaining team, **we have fought off the layoffs**, protecting jobs and services. Chapter President Maria Betancourt said, **"This is a massive win** for patient care and the 82 SEIU 1021 members

set to be laid off by Alameda Health System. We thank the leadership of Supervisors Nikki Fortunato Bas and Nate Miley. However, we still have **NO CONFIDENCE** in AHS management, so **keep signing our petition** and stay tuned for upcoming actions where we can celebrate this huge win!"
