

ON TUESDAY, SEPTEMBER 15 JOIN OUR DAY OF ACTION!

1221 OAK ST., OAKLAND

AND ACROSS ALAMEDA
COUNTY!

We've been at the bargaining table with management for MONTHS. We've gotten a lot of big wins, with **nearly 30 tentative agreements so far**, but **management still wants us to pay more for healthcare** and **wants us to settle for lower wages** than we know we deserve.

WHAT WE ARE PROPOSING, WHAT WE HAVE AGREED TO

We are preparing a major counter-offer to present management on Tuesday, September 1. This will focus on a fair wage and helping our members afford healthcare.

You can review an updated list of signed tentative agreements (TAs) on our website:

It's time for us to get this done! No matter where you work in the County, **join our Day of Action on September 15**. We'll be at 1221 Oak St. all day: join us for coffee before work or on your break, and for a **lunchtime action from noon to 1 p.m.!**

If you can't make it downtown that day, **make sure you and all your co-workers wear your purple!** Take photos and email them to chris.flink@seiu1021.org so we can share them widely!

**THIS DAY OF ACTION IS OUR CHANCE TO GET WHAT WE NEED FOR
OURSELVES, OUR FAMILIES, OUR CO-WORKERS, AND OUR COMMUNITY!**
