

SACRAMENTO CITY UNIFIED SCHOOL DISTRICT CHAPTER

Bargaining Update

July 14, 2016

with our raise.

There are many rumors out there about what's happening

Remember: Rumors spread at the speed of light, but the truth will always be in writing on a bargaining update.

- Members will receive a 2.5 % rate increase in their salary. The rate increase will be retroactive to July 1, 2015. Payroll, Human Resources, and Technology Services are updating their systems in order to process the pay raise -- **we don't know when it will arrive, but we're hoping within the next couple of months.**
- We are going back to the bargaining table on July 15th to discuss an additional 2.5%.
- Once that discussion has concluded, we'll be back to the table to bargain over the 2016/2017 pay raise.
