- The diagnosis, care or treatment of an existing health condition of, or preventative care for an employee’s family member as specified below; or

When the requirement for sick leave is known to the employee in advance of his/her absence, the employee shall request authorization for sick leave at such time, in the manner hereinafter specified. In all other instances the employee shall notify their supervisor as promptly as possible by telephone or other means.

An employee may be paid for the use of accrued sick leave when the employee completes and submits to the District a signed statement, on a prescribed form, stating the dates and hours of absence. If an employee does not return to work prior to the preparation of the payroll, other arrangements may be made with the approval of the District. The District may require, at the District's expense, a physician's statement from an employee who applies for sick leave before taking action on the request. The District shall arrive at a decision regarding the request in a reasonable period of time.

In disability cases arising outside the course of the employee's employment, State Disability Insurance benefits and sick benefit allowances shall be paid separately, but in the event State Disability Insurance payments cover all or part of the period during which sick benefit allowances are paid, the sum of the two (2) shall not exceed the sick benefit payable for said period, and the unused portion of accumulated sick leave will continue to be credited to the employee. Integration of sick leave benefits with State Disability Insurance payments is to be automatic; the District may not waive integration, and any employee entitled to State Disability Insurance payments must apply therefore (in order that the principle of integration may be applied) before sick benefits are payable.

Article 10 – Leave of Absence

10.1 General Provisions

Employees shall not be entitled to leaves of absence as a matter of right, but only in accordance with the provisions of law and this Memorandum of Understanding. The granting of a leave of absence also grants to the employee the right to return to a position in the same classification as the employee held at the time the leave was granted. The granting of any leave of absence shall be based on the presumption that the employee intends to return to work upon the expiration of the leave.

All approval authority over leaves of absence exercised by the General Manager shall be final.

Periods of time during which an employee is required to be absent from their position by reason of an injury or illness for which the employee is entitled to and currently receiving Workers’ Compensation benefits shall be included in computing length of service for the purpose of determining that employee's salary adjustments.

10.2 Disability Leave with Pay
