

SEIU 1021 City of Oakland Chapter

Update for April 22, 2021

On Friday, April 23, our elected Bargaining Team will meet with representatives from the City to discuss the City's proposed contract extension.

Our team is united that any extension must include a fair cost of living adjustment, which the City has so far not offered.

Show your support for the team by wearing your purple this Friday, and join our chapter meeting Wednesday, April 28, from 5 p.m. - 6:30 p.m. to find out more and get involved!
