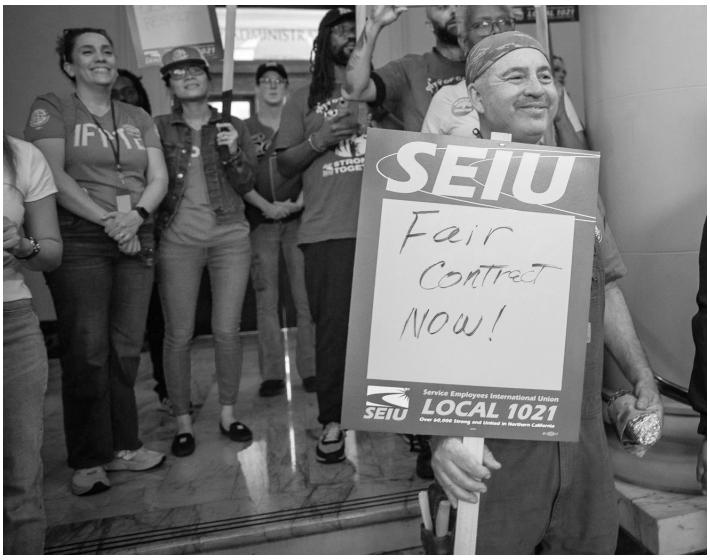
SEIU Local 1021 City of Oakland

Chapter Update for June 30, 2026

Want a Fair Contract?

Show Up July 7!

12:30 p.m., City Hall



We've had several great actions in recent weeks, and **our solidarity is getting results at the bargaining table**. Our wins include **stronger protections for grievances at the third step** and **better break language for our TPT workers**. Plus, management has taken some of the concessions they have asked for off the table!

But we aren't done yet. **We need to keep the pressure on until we get what we need!** Our next chance to do that is on **Tuesday, July 7, at the City Council meeting**. A strong showing there will go a long way toward getting us what we need.

See you there and don't forget your purple shirt!
