

SEIU Local 1021 City of Oakland Chapter

Don't Miss Our Next Session of STRIKE SCHOOL!

***Tues. Sep. 29, 5 p.m. - 7 p.m.
7750 Pardee Lane, Suite 110, Oakland***

On Wednesday, Sep. 23, hundreds of City of Oakland union members attended Strike School. We got a massive bargaining update, including **the City's latest bogus offer** of a 7% COLA over three years, after no raise in the last year of our contract. They also offer some possible bonuses down the road, not guaranteed, and not pensionable.

Plus, the City is trying to ram this three-year deal down our throats, saying if we don't take it, layoffs and concessions are back on the table!

Come to our second and last Strike School session on Tuesday, Sep. 29 to learn more, know your rights, and get ready for our strike authorization vote, and get ready to STRIKE!
