

SEIU 1021 City of Oakland Chapter News

October 23, 2020

“We can’t let big business buy a seat on Oakland’s City Council. We need to make sure Rebecca Kaplan wins, or Oakland’s workers and working families will never get a fair shake from this Council again.”

- Chapter President Felipe Cuevas

Please vote Rebecca Kaplan for City Council, sign your ballot, and put the envelope in the mail. No stamp needed.

What we expected to be a short pandemic has lasted more than six months, and it seems certain to last much longer. Many of our members have been able to telecommute during the Shelter in Place order, but many others have not.

On September 3, we made a proposal to the City to help our members who have been unable to telecommute. **The City has still not responded to us.**

Throughout these difficult times, we have fought for our members and kept this City running. **It is completely unacceptable for the City to refuse to respond to a proposal that would help so many.** We need as many of our members as possible to come to our next meeting to help plan our next steps to force the City to honor our work and the sacrifices we have made.
