Employees performing compensable overtime work shall be paid at the rate of time and one-half (1-1/2) of the employee’s straight-time hourly rate of pay. Each department shall permit inspection of its overtime records by the Union.

3.5 Minimum Overtime Guarantee

An employee eligible to receive payment for overtime who is called back to work on a day off, or who is called back to work after their regular working day has been completed and has left the employment site, shall be paid a minimum of three (3) hours at time and one-half of the employee’s regular hourly rate of pay. An employee who is required to make a job-related court appearance, on a scheduled day off shall be compensated for a minimum of four (4) hours at the overtime rate.

3.6 Acting Pay

An "acting" assignment shall only be made by a Department Head and employees shall be provided with a written notice assigning them to the higher classification on an acting basis.

Employees assigned by the Department Head to perform the duties of a higher classification on an "acting" basis, shall receive "acting" pay for each full day of assignment in such higher classification. In the event the employee works more than forty (40) consecutive hours in the higher classification, the employee shall be paid "acting" pay for the entire period worked in the higher classification. Acting pay shall be at that step of the classification in which the employee is acting, which shall result in at least a five percent (5%) increase.
In the event an employee works continuously for the applicable hourly equivalent of one (1) year that is either one thousand eight hundred-twenty (1,820) hours for those on a thirty-five (35) hour per week schedule or two thousand eighty (2,080) hours for those on a forty (40) hour per week schedule, in the higher classification, the employee will be promoted to that classification. Such promoted employee shall be subject to the regular promotion probation requirements of the City.

3.7 Meal Periods and Rest Periods

Employees, except dispatchers (see Section 3.8), shall be assigned to a one-half (1/2) hour or a one (1) hour unpaid meal period each day within a two (2) hour period at the midpoint of each shift, and a fifteen (15) minute paid rest period during the first half of the work shift, and another fifteen (15) minute paid rest period during the second half of the work shift. Work break periods may not be used for time off at the beginning or end of an employee’s shift.

3.8 Dispatchers Rest Periods

Dispatchers will be eligible to suspend their duties for a paid lunch period of thirty (30) minutes subject to the direction of the Police Services Manager or the Watch Sergeant (in their absence). In the event of an interrupted lunch break, and if staffing permits, the Dispatcher affected may resume their lunch break.

A. No lunch period will be scheduled at the beginning or end of a tour of duty except in special situations and then only with permission of the Police Services Manager or the Watch Sergeant (in their absence).

B. No lunch period will be granted to Dispatchers working less than five (5) hours.

Work break periods shall not be taken during priority one calls for service or in instances where another Dispatcher is not available to cover; in such instances the employee shall have no remediation. Work break periods may not be used for time off at the beginning or end of an employee’s shift.

3.9 Stand-by Pay

A. The MESA may assign Crew Leaders and Maintenance Workers to mandatory stand-by status in one week increments on a rotating basis in the order of least to most senior. Maintenance Workers are required to have at least one (1) year of experience in the classification and be deemed by management to be qualified for stand-by assignments. If an employee is absent from work during their turn in the rotation for assigned stand-by status, the Public Works Supervisor may assign any Maintenance Worker or Crew Leader to assume the stand-by responsibility during the absence. In making such assignment to cover absences, the Public Works Supervisor will make reasonable efforts to solicit a volunteer to cover the absence or holiday period rotation. If there is no volunteer, the Public Works Supervisor shall distribute the assignments so as to avoid giving any non-volunteering employee an excessive share of such assignments.
B. The normal standby week rotation will be Monday through Sunday, inclusive. The Public Works Supervisor may deviate from this rotation pattern and staffing levels or may assign in an emergency (e.g., storm conditions) without notice or with thirty (30) days advance written notice if, in their judgment, such deviation would best serve the MESA’s operational needs.

C. While on stand-by status, the affected employee will be assigned a City truck for the stand-by week and shall carry a City-provided pager, cell phone or other such communication device at all times.

D. A Maintenance Worker assigned to the rotation who is required to report to work from standby status will be compensated for time worked at the third step of the Crew Leader wage range at the appropriate overtime rate if applicable.

E. Employees shall refrain from using alcohol or non-prescribed controlled substances while on stand-by status, and remain able to report to work within one (1) hour, if called to report for duty. If the employee’s residence is more than one (1) hour away from their normal City report location, the MESA will extend this one (1) hour period by a reasonable period as determined by the MESA to accommodate the additional necessary travel time. An employee on stand-by status may otherwise freely use such time for their personal activities. When the employee reports to work, stand-by status ends and the City shall thereafter compensate the employee at their base hourly rate or, if applicable, the overtime rate of one and one-half (1½) times their regular rate of pay, for all hours worked after such call until the employee is authorized to terminate the work for which they were called to report, except for the hours between 11 p.m. and 7 a.m. when they will be paid double (2 times) their regular rate of pay for the hours worked. For each hour period spent on stand-by status the employee shall receive six dollars ($6.00). Time in stand-by status is not time worked for pay purposes.

F. In the event there is an unexpected absence on a weekend or holiday, the employee assigned to work standby may be required to report to work, depending on operation and service needs.

G. At any time during the term of this agreement, either party may request to discuss possible modifications of the stand-by procedure to mitigate negative effects for employees or operations. The parties may amend the procedure by mutual written agreement of the Union and the City Manager.

3.10 Shift Differential
For represented employees in the Police Department, the City shall pay a shift differential of five percent (5%) of the employee’s base wage for all hours actually worked on dispatch between the hours of 1750 (5:50 p.m.) and 0550 (5:50 a.m.).

Section 4 - Leave of Absence

4.1 Status Report of Accrued Leave

The MESA agrees to regularly provide an official record of the current accrued leave on each employee's paycheck stub. Verification of an employee's official accrued leave record will be provided upon receipt of a reasonable request for such verification by the MESA.

4.2 Vacation Leave

A. Accrual

An employee shall accrue vacation leave from the date of the employee's regular
appointment by the MESA, each month at the rates enumerated below up to the accumulation maximum. For the purpose of determining the amount of vacation entitlement, an employment year is defined as the period of one year from the anniversary date of such appointment by the MESA.

Employees hired prior to July 1, 1999:

From date of appointment to regular employment through the completion of ten (10) years of service: Fifteen (15) days of vacation per year, (1-1/4 days/month); beginning with the commencement of the eleventh year of service - twenty (20) days vacation per year (1-2/3 days/month); beginning with the commencement of the twenty-first year of service - twenty-five (25) days vacation per year (2.08 days/month).

Employees hired beginning July 1, 1999: 0 - 4 years of service, 10 days vacation per year (.83 days/month); 5 - 10 years of service, 15 days vacation per year (1.25 days/month); 11 - 20 years of service, 20 days vacation per year (1.66 days/month); 21 plus years of service, 25 days vacation per year (2.08 days/month).

B. Minimum Usage

An employee may take vacation leave in increments of not less than one-half (1/2) day.

C. Interruption of Leave

In the event that a holiday occurs during a period of authorized vacation leave, the workday which is the holiday shall be charged as a holiday and not as a day of vacation. In the event that an employee needs to use sick leave during that employee's scheduled vacation, the full workdays on which such illness occurs shall not be charged to vacation leave, provided that a doctor's certificate or report of treatment is submitted and approved. Vacation leave not used due to the use of sick leave in an authorized vacation period shall be rescheduled for use at a later date, in accordance with established procedure.

D. General

1. If it becomes necessary to call an employee back to work from a scheduled vacation, the employee shall be credited with the unused vacation hours and shall have the opportunity to take such remaining vacation leave at a time of the employee's choosing with the Department Head's approval. The employee's travel costs incurred for changing travel plans and returning to work shall be reimbursed except in instances of a declared City, State or National emergency.

2. If an employee leaves the MESA's employment and has unused vacation time, compensation shall be given at the hourly rate times the hours of unused vacation.

3. An employee may elect to take all or part of earned vacation, or may carry over to the next service year all or part of earned vacation. No employee will be allowed to maintain a balance of unused vacation leave in excess of twice their yearly allowance for the forthcoming year. It shall be the responsibility of each employee to insure the full use of vacation leave credits received by scheduling the necessary time off each year. An employee who reaches the accumulation maximum will cease to accrue further vacation until their balance drops below the maximum.

E. Part-Time Employees

All Permanent part-time employees shall receive vacation and sick leave computed at
50% of the accrual provided to full-time employees. Any permanent part-time employee working above the 50% threshold shall accrue prorated vacation and sick leave hours based on the full-time equivalent status of the position held. For example, an employee in a budgeted 75% full-time equivalent position would be eligible to accrue vacation and sick leave at 75% of a full-time employee’s accrual level with the same years of service.

F. Vacation Requests
Requests by a represented employee for vacation leave shall be subject to management approval. The department head or designee shall respond to vacation requests in a timely manner and no later than seven (7) working days from the date the request is submitted. Management will consider the time sensitivity of the request, operational needs and staffing considerations in an effort to provide a timely response. The MESA shall consider City seniority as a factor in resolving conflicting requests for vacation leave.

4.3 Sick Leave Accrual
Sick leave shall be accrued monthly for all eligible full-time employees at the rate of one and one quarter (1-1/4) days per month.

Employees may be granted sick leave in increments of no less than one-half (1/2) hour.

An employee’s family member is anyone who is bonded to the employee by blood, marriage, adoption, fostering, partnership or legal guardianship; anyone living in the same household as the employee; and anyone named on a list of chosen relations which identifies the relationship. Employees may submit their list of chosen relations to the City upon adoption of this MOU during the week of October 16th-23rd, 2019. Thereafter, the list will be designated upon employment or for current employees during the medical insurance annual “Open Enrollment” period. This language will expire on June 30, 2021.

B. Entitlement. An employee may use accrued sick leave for illness in the immediate family. At the MESA's request, the employee will provide satisfactory evidence of the facts justifying such absence.

4.5 Sick Leave Buy-Back
A. Upon retirement from the MESA for service or disability, a full-time employee may convert accrued but unused sick leave to additional service credit as provided in the MESA’s contract with the Public Employees' Retirement System; or

B. For represented employees hired before January 1, 2014, they shall receive payment for that portion of sick leave earned but unused at the time of separation up to a maximum of one hundred twenty (120) days at the rate of sixty percent (60%) of their then
current salary, provided the employee separates from the MESA in good standing. Good standing is defined as retirement or in the case of resignation, the employee has provided at least two (2) weeks notice prior to separation (as provided in Section 12.3).

C. For represented employees hired on or after January 1, 2014, payment of sick leave will be granted to employees with at least ten (10) years of continuous service and shall receive payment for that portion of sick leave earned but unused at the time of separation up to a maximum of one hundred twenty (120) days at the rate of thirty percent (30%) of their then current salary, provided the employee separates from the MESA in good standing. An employee who suffers a non-job-related illness or injury may be required to undergo a medical examination to determine fitness for employment prior to return to work. The necessity for such medical examinations shall be determined by the Human Resources Director on an individual basis. Such medical examinations shall be conducted by a physician selected by the MESA. The City shall be responsible for the cost of such examinations.

4.7 Catastrophic Injury/IllnessTime Bank

Upon approval of the City Manager or their designated representative, use of Catastrophic Leave from the City of Emeryville/MESA Catastrophic Leave Bank may be available for the benefit of an non-probationary MESA or City employee suffering from a catastrophic illness or injury either to their self, their spouse, domestic partner, parent or dependent child. Employees may donate earned vacation, compensatory time and/or sick time on a voluntary basis to another City employee or MESA employee. The employee shall specify in their application the number of leave hours they are requesting. If those are exhausted, the employee may file a new application for a specified number of additional hours.

Revenue Ruling 90-29 (1990-1 C.B. 11, 1990 I.R.B. 5) a “medical emergency” is defined as a medical condition of the employee or a family member of the employee that will require the prolonged absence of the employee from duty and will result in a substantial loss of income to the employee because the employee will have exhausted all paid leave. A family member of the employee includes a spouse, domestic partner, parent or dependent child. State and federal income tax on the value of leave donated shall be deducted from the receiving employee’s pay at the time of payment to the employee.

C. The donation of leave hours shall not be reversible. In the event all hours donated are not used for the catastrophic illness or injury, the balance will remain in the Catastrophic Leave Bank for subsequent use by eligible MESA or City employees with a qualifying catastrophic emergency.

D. All hours donated to a recipient shall be treated as sick leave and subject to the provisions in this Memorandum of Understanding regarding the use and payment of
E. Donated leave time shall be changed to its cash value and then credited to the City's Catastrophic Leave Bank. Funds in the Bank will then be available to an eligible recipient in equivalent hours at the recipient's straight time hourly rate of pay.

F. Donating employees may not reduce their balance of earned vacation below eighty (80) hours by reason of such donations.

The number of hours each day for which a part-time employee is compensated pursuant to the provisions of this Section shall be equivalent to the average daily number of hours worked by
the employee during the fifty-two (52) week period or entire period of employment whichever is less immediately preceding their absence because of industrial disability.

Payment under this provision shall be integrated with any benefit which said employee may receive under the Labor Code of the State of California awarded as the result of the same injury. If, after the period of entitlement, the employee is still disabled, the employee may supplement any benefits paid under the Labor Code with accumulated sick leave and vacation to the extent necessary to make up the difference between the amount of said award and the normal weekly base pay for each week of continuing disability.

The MESA reserves the right to determine medical fitness for employment prior to the employee being returned to work. Such evaluations shall include a determination that the employee may safely return to work without the likelihood of further injury or illness to the employee. All such evaluations and determinations shall be consistent with workers' compensation law.

If an employee engages in alternate employment during the period of temporary disability the MESA shall receive a credit against workers' compensation payments made to the employee during said period of temporary disability.

The employee shall receive full pay during the leave period provided that the witness fee for such leave is assigned to and the subpoena and court certification is filed with the MESA. The witness fee assigned to the MESA does not include reimbursement to the employee for expenses.

4.12 Family Leave

The MESA shall comply with the provisions of the State and Federal Family Leave Acts as required under the law. In that these two pieces of legislation are conflicted, the MESA will establish a Family Leave Policy that incorporates the governing provisions of the statutes. This policy will be incorporated into the MESA Personnel Rules as it applies to all bargaining units.

4.13 Parental Leave

A. Pregnant employees shall be allowed to continue working as long as they are physically capable of performing the duties of their jobs. Absence from work due to pregnancy related disabilities, shall be treated the same as absence from work due to any other physical disability.

Any pregnancy related disability occurring outside the employees' paid leave period shall be treated the same as any other physical disability and the employee shall be entitled to use any accumulated sick leave during this time. In addition, the employee may utilize any accrued vacation leave, or compensatory time off for any portion of the
unpaid leave.

B. **Benefits Credits.** Credit toward all benefits dependent upon length of service, such as seniority and pension credits, shall be accrued during the first four (4) months of parental leave and retained thereafter.

C. **Life and Health Insurance Coverage.** The MESA agrees to maintain life and health insurance coverage during parental leave for four (4) months subject to any regular participation requirement of the employee. Thereafter the MESA agrees to continue coverage for the employee at the employee's expense.

B. No employee shall be required to be tested for the HIV antibody.

C. The MESA/Union shall follow the City’s Exposure Control Plan, which is required by OSHA standards, for all City employees that may be expected, on a routine or collateral basis, to be exposed to blood born pathogens or other infectious materials.
9.5 **Video Display Terminals**

The MESA shall endeavor to provide safe and healthy working conditions for employees using video display terminals (VDT's). B. Proposals to modify, amend or terminate this Memorandum of Understanding or written agreement or addenda supplementary hereto shall not be grievable.

C. A grievance shall contain a clear and concise statement of the grievance by indicating the issue involved, the relief sought, the date the incident or violation took place and the specific section of the MOU alleged to have been violated.

D. Group grievances are defined as, and limited to, those grievances which cover more than one employee, and which involve like circumstances and facts for the grievance involved. Grievances which are group grievances must be so designated on the grievance form at Step 1. The grievance must describe the group involved.

E. Alleged violations of a specific provision of this MOU may be grieved by the Union and shall be so identified as a Union grievance on the grievance form. Such Union grievances shall be signed by the Field Representative or their designee and shall contain all information as specified above for any other grievance.

F. Working days, for the purpose of this section shall be defined as days during which the City of Emeryville/MESA's Administrative Offices are open.

10.2 **Time Limits And The Grievance Steps**

Timely submission of a grievance is established only by postmark or by hand delivery. Faxes
or e-mails do not establish proof of service or timeliness.

**Step 1.**

(a) The grievance shall be presented in writing, either by the employee or by an authorized union representative to the designated supervisor of the employee within twenty (20) working days after the cause of such grievance occurs or within twenty (20) working days from the date the employee had reason to know of the alleged violation of the MOU that gave rise to the cause of such grievance. Grievances which are not presented within the specified time period shall be deemed to be waived and abandoned.

(b) The designated supervisor shall have twenty (20) working days from date of receipt of grievance in which to respond. The designated supervisor shall issue a response, in writing, to the employee and the employee’s representative designated on the original grievance form.

(c) A grievance occasioned by the action (or lack of action) of person(s) other than a management official in the employee’s home department, may be filed at Step 3, as long as said grievance is filed within the time limits specified in Step 1 (a), above.

**Step 2.**

If the grievance is not satisfactorily resolved at Step 1, the employee or the Union may submit a Step 2 grievance as follows:

(a) The Step 2 grievance shall be submitted in writing either by the employee or by an authorized union representative to the department head or to such representative as they may designate. A grievance may only be submitted to this (and each subsequent) step of the Grievance Procedure by giving written notice of the submission within twenty (20) working days of the expiration of the designated time limits of the MESA official responsible for the prior response. Deadlines which fall on a non-working day, will automatically be extended to the next business day.

(b) The department head or a designated representative shall have twenty (20) working days from date of receipt of grievance in which to respond.

**Step 3. Head of Human Resources:**

(a) A grievance that remains unresolved following the Union’s receipt of the Step 2 written response from the Department Head or their designated representative, and/or an ‘Advanced Level Filing’ grievance, shall be submitted to the Head of Human Resources within twenty (20) working days.

(b) The Head of Human Resources shall meet with the grievant, the steward associated with the grievance, the Chief Steward, and/or the Union Representative, limited to three union representatives total, including the grievant.

(c) The Head of Human Resources will have twenty (20) working days in which to provide a written response to any grievance, unless timelines are extended in accordance with this section.

10.3 Arbitration
Step 4. Arbitration:

(a) If the grievance remains unresolved at Step 3, either the Union or the MESA may, by written notice to the other party, advance the grievance to an impartial arbitrator within twenty (20) working days of the Step 3 response. The arbitration shall be selected by mutual agreement within twenty (20) working days from the date the grievance is advanced to arbitration. If agreement is not reached, either party may request the names of five (5) impartial arbitrators from the State Mediation and Conciliation Service. Upon receipt of the list, the Head of Human Resources, or designee, and the designated Union Representative, or designee, shall alternately strike names from the list of arbitrators until one arbitrator’s name remains, whom shall serve as the arbitrator. This process shall occur within twenty (20) working days. The fees and expenses of the arbitrator and of a court reporter shall be shared equally by the Union and the MESA. Each party, however, shall bear the cost of its own presentation including, but not limited to, preparation, presentation at hearing, and post hearing briefs, if any.

(b) The MESA and/or the grievant may call witnesses. If an employee covered by this Agreement gives testimony in connection with the grievance procedure during working hours, the employee shall suffer no loss of pay. If the grievant’s hearing is scheduled during working hours, the grievant shall suffer no loss of pay in order to present their grievance.

(c) Decisions of arbitrators on matters properly before them shall be final and binding on the parties hereto.

10.4 No arbitrator shall entertain, hear, decide or make recommendations on any dispute unless such dispute involves a position in a unit represented by the Union and unless such dispute falls within the definition of a grievance as set forth in subsection 10.1.

10.5 No arbitrator shall have the power to amend or modify this Memorandum of Understanding or written agreements or addenda supplementary hereto or to establish any new terms or conditions of employment.

10.6 No grievance involving disciplinary action taken against an employee will be entertained unless it is filed in writing with the Head of Human Resources within seven (7) working days of the time at which the affected employee was notified of such action.

10.7 Grievances which allege that employees are not being compensated in accordance with the MOU, shall be initially filed in writing with the Head of Human Resources. In no event shall there be any compensation adjustments that are retroactive prior to the date of the occurrence giving rise to the compensation grievance. Any other matters of compensation are not grievable and are to be resolved in the meeting and conferring process. If these matters are not detailed in the Memorandum of Understanding which results from such meeting and conferring process, they shall be deemed withdrawn until the meeting and conferring process is next opened for such discussion.

10.8 A steward and one (1) alternate steward shall be appointed by the union in each of the following work areas:

- City Administrative Office
- Police Department
- Public Works Department
- Community Services Department
A. If the aggrieved employee desires the assistance of a steward as provided in Steps 1 through 3 of the grievance procedure, or during the Arbitration process, the MESA shall afford said steward-reasonable time off during work hours without loss of compensation or other benefits to investigate and take up said grievance. The grievant and/or the area steward shall obtain the specific approval of the Department and/or division head or, in the latter's absence, another authorized management official, before leaving their duties, work station or assignment for the purpose of investigating and/or processing a grievance.

B. An employee may request the presence of a steward during an interview with their supervisor which the employee reasonably believes may result in disciplinary action, and where the employee has specifically asked the supervisor whether there is the potential for disciplinary action and has been advised by the supervisor that such potential exists. If at any time during an interview without a steward in attendance, it becomes apparent that disciplinary action may result, either party may adjourn the interview until a steward can be present. The provisions of this paragraph shall not apply to interviews conducted for the purpose of reviewing an employee's performance evaluation.

10.9 Time lines may be extended by mutual agreement of the Union and the Head of Human Resources at any step in this procedure. A request for time line extension and subsequent agreement to a time extension shall be documented in writing by the party requesting the extension.

10.10 With the mutual consent of the parties, the services of a mediator may be employed to help mediate the grievance at any step in this procedure.

Section 11 - Non-Harassment and Retaliation

11.1 No employee shall be subjected to any illegal form of harassment in the course of employment. Prohibited harassment and retaliation are defined in the MESA Administrative Instruction 1119 – Non-Harassment and Retaliation.

11.2 Allegations of prohibited harassment and/or retaliation shall be reported promptly to the immediate supervisor, or in accordance with procedures outlined in Administrative Instruction 1119. Should Administrative Instruction 1119 be amended, then the subsequent amendment(s) shall be utilized as the administrative remedy for addressing such complaints.

Section 12 - Layoffs & Resignations

12.1 Layoffs.

Whenever there is a lack of work or a lack of funds requiring reduction in personnel in a department or division of the City government, the required layoffs shall be made in accordance with the following procedures:

A. Employees shall be laid off in inverse order of their length of service within the affected job classification.

1. Length of service for the purpose of this Section 12.1 shall mean an employee's continuous uninterrupted service within a classification from the effective date of their appointment as a probationary or part-time employee in that classification.

2. An interruption in length of service within a classification shall occur as a result of any one of the following:
(a) Discharge for cause  
(b) Voluntary resignation  
(c) Retirement for service or disability  
(d) Absence from work for thirty-six (36) consecutive months because of layoff  
(e) Failure to return from layoff as provided in Section 12.2  
(f) Failure to return from an approved leave of absence upon the date specified for return at the time said approval was granted.

Provisional and acting appointments to a classification shall not be construed as service in such classification unless such provisional or acting appointment was contiguous with appointment to such classification in a probationary or part-time status.

3. Whenever the effective date of appointment to a classification is the same for two or more employees, the original date of hire as a probationary or part-time employee with the MESA shall be used to determine which employee has greater length of service within the classification. The employee with the earlier original date of hire with the MESA shall be considered to have the greater length of service within the classification in this situation.

In the event two or more employees have exactly the same length of service, the employee whose rank order on the eligibility list for appointment to the current classification was lower shall be laid off first.

B. Within each affected job classification all provisional, temporary and seasonal employees in that classification shall be laid off before probationary employees and all probationary employees shall be laid off before any regular employees provided; however, that part-time employees whose length of service is less than any probationary or regular employee shall be laid off before such probationary or regular employee. Thereafter, if additional reductions in personnel are required, those employees with the least length of service within the affected classification shall be laid off.

C. As an alternative to layoff, an employee with regular, probationary or part-time status who is displaced from their classification in accordance with the procedures provided in paragraphs (A) and (B) of this Section shall be allowed to bump to a classification at the same salary level or to a classification at the next lower salary level provided the classification to which they bump is one in which they have previously served in a regular, probationary or part-time status and where their original date of appointment to said classification, as defined in Section 8 of the Personnel Rules and Regulations, predates that of at least one employee presently serving therein.

As an exception to the foregoing, an employee may bump into a classification in which they have previously served and where their original date of appointment to that classification predates that of at least one employee presently serving therein and where said classification carries a higher salary level only if such higher salary level resulted solely from the application of an equity salary adjustment.

I. Bumping rights afforded an employee pursuant to this Section shall include access to those classifications in which they have previously served but which may since have been re-titled but where, as determined by the MESA, no substantive changes have been made in the duties or qualifications for the classification(s) in question. Such determination by the MESA shall be subject to the grievance procedure of this Memorandum of Understanding.
2. Prior to employees being laid off the MESA shall post an official bulletin board and provide the Union with status registers for all affected classifications within the representation unit. Said lists shall include the names of all present employees who have held these classifications and their appointment dates thereto.

3. An employee eligible to bump into another classification pursuant to this paragraph C shall have five (5) work days after notice of assignment by the City Manager to a position in that classification in which to accept such assignment. If the affected employee fails to accept such assignment within said five (5) work day period, they shall be laid off. An employee so assigned shall be placed at a salary step in the range for the classification to which they bump closest to the employee's former rate of pay but which does not exceed the salary step held by the employee in the classification from which the employee was displaced.

4. In the event an employee bumps to an occupied or vacant position that is "flexibly" staffed as reflected in the Positions and Salaries Resolution, assignment to said position shall be at the level at which the position is staffed at the time of layoff.

D. When employees are scheduled for layoff by the MESA, the affected employee and the Union will be given at least thirty (30) calendar days notice, except in an emergency. For the purposes of this section only, an emergency is defined as, but not limited to: earthquakes, fire, floods, terrorism, nuclear/radiological incidents, hazardous material incidents, disease, civil disturbances or any other emergency requiring a coordinated multi-agency response. The MESA shall attempt, in so far as is possible, to accomplish any contemplated reduction in personnel by attrition rather than by layoff.

E. In the event employees are scheduled to be laid off, other employees with greater length of service within the same classification may elect to be laid off in lieu of those employees scheduled for such layoff.

12.2 Rights of Return

As position vacancies occur, employees on layoff and those occupying positions to which they have bumped shall be afforded return rights in the order of their length of service in the classification(s) in which such vacancies occur.

A. An employee shall have ten (10) work days from the mailing by certified mail of a notice of return to their address of record on file in the Personnel Department to indicate acceptance of such return and their agreement to report for work as specified in the notice.

B. Employees in layoff status shall retain all credited sick leave earned but unused at the time of layoff. An employee on layoff shall not earn vacation leave credit while in layoff status. Upon an employee's return from layoff the employee shall be credited with proportionate vacation leave for the balance of the calendar year. The amount of such credit shall be based upon their continuous uninterrupted service with the MESA including time spent in layoff status. Use of vacation leave so credited shall be subject to the provisions of Section 4.2(a) of this Memorandum of Understanding.

C. Employees who are displaced from their classifications by virtue of layoff shall be placed on a re-employment register for the classification they held at the time the layoff occurred, hereinafter referred to as the "primary" register. They shall also be placed on re-employment registers for classifications previously served in, hereinafter referred to as "secondary" registers. If an employee fails to respond to such notice of return within the prescribed time period or declines to return from layoff to a secondary register
Emeryville/MESA and SEIU, Local 1021 MOU 2019-21

classification their name shall be removed from said secondary register and they shall no longer be eligible for recall to that classification. If an employee fails to respond to notice of return within the prescribed time period or declines return to their primary register classification the employee will be considered to have voluntarily resigned their employment with the MESA.

D. Full-time employees who have bumped to a part-time position, or who have been recalled from layoff to a part-time position, shall be afforded an opportunity to return to full-time status as position openings become available.

E. Employees who request and are granted voluntary demotion to a vacant position in lieu of layoff shall be afforded the same rights of return as employees who have exercised bumping rights.

F. An employee who, lieu of layoff, was transferred to another position within the same classification shall be notified of an opening in their previous position and shall be afforded an opportunity to apply for reinstatement to that position.

12.3 Resignations

Any employee wishing to leave the employ of the MESA in good standing shall file with the Department Head at least two (2) weeks before leaving the service, a written resignation stating the effective date and reasons for leaving. The resignation shall be forwarded to the City Manager through the Personnel Director with a statement by the Department Head as to the resigned employee's service performance. In the case of any adverse comments, the employee shall be notified in writing and shall be given the opportunity to respond in writing. Failure of the employee to submit their written resignation as provided herein shall be entered on the service record of the employee and may be cause for denying future employment by the MESA.

12.4 Non-Discrimination in Workforce Reduction.

Layoffs and demotions resulting therefrom shall be made without regard to an employee's race, color, creed, political beliefs, national origin, religion, sex, age, sexual orientation, or physical or mental handicap to the extent required by law.

12.5 Alternatives to Layoffs

In the interests of employees who may be adversely affected by a general layoff, arising from the need to reduce the workforce, the MESA will first solicit volunteers for alternative measures such as, but not limited to, early retirement, demotion, job-sharing, reduced work hours and the like in order to reduce the impact of layoffs on employees.

Section 13 - Miscellaneous

13.1 Education and Training

Employees shall be eligible for reimbursement of tuition and textbook expenses for training that is required by the MESA or for training which is mutually acceptable by the employee and the MESA. Training that the City may determine it will not require but for which the City may, in its discretion, authorize reimbursement under this section includes, but is not limited to, courses or training programs related to:

(a) improving the employee’s basic skills (e.g. reading, writing, basic mathematics, problem solving, error reduction, etc.);
(b) improving the employee’s knowledge and skills needed to better perform the duties of their current position; or
(c) building on the employee’s existing knowledge and skill base to prepare the employee for possible advancement or lateral job transitions within the City that are logically connected to the employee’s present position.

Nothing in this section is intended to diminish the employee’s opportunity to apply for alternative career training support pursuant to the City’s general personnel policies.

13.2 Negotiations Process

The MESA will allow release time for three (3) employees of the Union’s choosing for the purposes of meeting and conferring on the negotiation of this Memorandum of Understanding, consistent with the continued function of the MESA.

13.3 City Participation in CALPERS - Payment of Employee’s PERS Contributions

A. The City will provide for the participation of employees in the California Public Employees’ Retirement System (“PERS”) under the PERS Miscellaneous Employee 2% @ 55 (single highest year of compensation earnable and Level III Survivor Benefits plan) retirement formula plan for eligible employees hired before January 1, 2012.

B. Employee hired on or after January 1, 2012, will be enrolled in the 2% @ 60 retirement formula plan (average of highest three years compensation earnable and Level III Survivor Benefits plan).

C. Employees enrolled in the above plans (2% @55 and 2% @ 60) shall contribute to PERS each pay period seven percent (7%) of “PERSable” compensation toward the PERS employee contribution rate.

D. Effective January 1, 2013, newly hired employees that are considered “new members” in accordance with the Public Employee Pension Reform Act (PEPRA) will be enrolled under the PERS Miscellaneous Employee 2% @ 62 retirement formula plan (average of highest three years compensation earnable and Level III Survivor Benefits plan), in accordance with applicable law and PEPRA. Employees enrolled in the 2% @ 62 shall contribute to the PERS each pay period one half the normal cost, which (as of 7/1/16) is six and a half percent (6.5%) of “PERSable” compensation toward the PERS employee contribution rate.

The MESA shall pay directly to PERS one hundred and twenty-five dollars ($125) beginning January 1, 2016 on behalf of each eligible full-time active employee who subscribes for coverage in a PERS Medical plan. The City’s contribution shall increase each year to the extent required by Government Code Section 22892.

These increased City contributions rates shall remain in effect only as long as required by law.

For the purpose of this section, a dependent is defined as a person who satisfies the definition of dependent in the PERS medical plan in which the employee is enrolled. Such policy to include accidental death and dismemberment coverage, and the right to conversion at the time of termination of employment to a form of permanent coverage without medical restrictions to the extent allowable by the insurance carrier and the law. The payment for such converted coverage shall be the responsibility of the individual electing such coverage. Should the IRS increase the non-taxable insurance amount beyond $50,000, then maximum level of insurance coverage may be increased to that limit which is non-taxable under the IRS codes and regulations. In any event the MESA will not provide life insurance beyond the amount of the employee's annual salary.

14.5 Flexible Benefits

A. Premium Contribution Account. The MESA shall establish a Flexible Benefits Account for each full-time active employee in regular or probationary status enrolled in one of the PERS medical insurance plans offered by the MESA.

1. The MESA Contribution. In the event the amount specified in Section 14.1, 14.2, and 14.3 are insufficient to pay 100% of the premiums required of the corresponding benefit plan in which the employee is enrolled, the MESA shall make such supplemental payment into the employee's Flexible Benefit Account as is necessary to equal one hundred percent (100%) of the premium of the medical, dental and vision coverage in which the employee is enrolled for their coverage level, up to a maximum monthly premium for medical, dental and vision of:

If there are any premium rate increases for the dental and vision plans amounts, during the term of this agreement, at the request of the MESA/City, the parties will re-open negotiations. Such re-opener negotiations shall be limited to the discussion of how such increase(s) will be shared between the MESA/City and the employee. Absent an agreement between the parties, the above contributions for dental and vision benefits will remain in effect.

2. Additional Employee Contributions. In the event an employee enrolls in a medical plan for which the premium exceeds the MESA’s contribution for medical insurance and Flexible Benefits as provided herein, such additional sum shall be withheld from the employee’s salary by MESA on a pre-tax basis.

B. Health Care and Dependent Care Spending Accounts. The MESA agrees to allow employees to designate a specific amount of salary, consistent with applicable public law, to be redirected each month to pay for Health Care and Dependent care costs on a pre-tax basis. The MESA will reimburse such employee on a monthly basis for health care and dependent care from such redirected funds, upon presentation to the designated third party administrator of a claim and receipt for services rendered. Any unused funds will be administered in accordance with applicable Federal law.

C. Changing Elections. Federal law limits the circumstances under which an employee may elect benefits and change an election under the Flexible Benefits Plan.

1. Premium Contribution Account. Unless the individual employee notifies the Director of Finance in writing prior to May 30 each year, that they elect to have their Flexible Benefits paid into the Deferred Compensation Program, it will automatically be used to pay premium changes for the elected medical insurance program.

Each employee shall be responsible for providing immediately written notification to the Human Resources Director of any change to the number of their eligible dependents (as defined by the summary plan documents) which affects the amount of the MESA’s payment to the Flexible Benefits Account. Changes to Flexible Benefit payments required because of a change in an employee’s number of eligible dependents shall take effect at the start of the first pay period in the month next following the month in which advice from the employee is received by the Human Resources Director. No retroactive increases to the MESA’s payment shall be allowed.

2. Health Care and Dependent Care Spending Accounts. To elect to redirect funds into the Health Care and Dependent Care Spending Accounts, the individual employee must obtain and complete an election form and provide it to the Human Resources Director in accordance with MESA’s procedures, but no later than November 30 each year for the plan year beginning January 1. The prior year election will not be renewed. If the employee makes no election prior to November 30, then the employee will be deemed not to participate in the Health Care and Dependent Care Spending Accounts.
Each employee shall be responsible for providing written notification to the Human Resources Director of any change in health care or dependent care status within 30 days of the change which affects the amount of the MESA’s payment to the Flexible Benefits Account, if any. Changes to Flexible Benefit payments required because of a qualifying change in status shall take effect at the start of the first pay period in the month next following the month in which advice from the employee is received by the Human Resources Director. No retroactive increases to the MESA’s payment shall be allowed. A qualifying change in status includes changes as permitted under the MESA Flexible Benefit Plan in accordance with IRS Regulations.

3. **The MESA Allowance.** The monies in an employee's Flexible Benefits and Health Care and Dependent Care Spending Accounts allocated by MESA shall be used for one of the following purposes only: (a) payment of premium charges for the PERS medical insurance program, the dental plan, and the vision plan in which the employee is enrolled; or (b) payments to an established Health Care and Dependent Care spending account plan.

14.6 **Alternate Benefit**

Employees shall be allowed an opportunity to select certain options as alternatives to those benefits listed in Section 14.1 of this Memorandum of Understanding under the following terms.

A. **Eligibility.** Eligibility for receipt of alternative benefits is restricted to those employees for whom no MESA contribution is made towards premiums for group hospital-medical-surgical insurance because of coverage said employees have from a source other than the MESA. Written proof of said coverage is required by the MESA.

B. **MESA Contribution.** The MESA shall contribute one-half (1/2) of the MESA-paid Kaiser Bay Area two-party premium cap per month for alternate benefits for eligible full-time and Tier I permanent part-time employees who select alternate benefits. For Tier II permanent part-time represented employees, the Employer shall contribute one-third (1/3) of the Employer-paid Kaiser Bay Area two-party premium cap per month for alternate benefits.

C. **Available Benefits.** Contributions made by the MESA may be applied by the employee to one or both of the following options:

1. A supplement to the employee’s monthly salary. State and Federal taxes will be withheld on any monies applied to this option.

2. Contribution to the Deferred Compensation Plan currently in effect for MESA employees, as governed by IRS regulations, must be made on an after tax contribution basis.

14.7 **Reservation of Rights**

The MESA reserves the right to provide medical, dental or vision care benefits under a program other than that offered through the PERS or other existing benefit arrangements at any time during the term of this Memorandum of Understanding. Alternate coverage may be provided through a consortium of public agencies or private employers which may be formed for the purpose of providing medical, dental or vision care benefits for employees; or through
a program of self-insurance or through benefit plan options created pursuant to the Patient
Protection and Affordable Care Act of 2010.

The MESA shall offer to meet with the Union to discuss the impact of such alternative
coverage before the effective date of such coverage.

14.8 Health Care Legislation

If either the State of California or the federal government produces legislation that requires a
change in the benefits provided under this MOU, or imposes an employee or an employer
contribution requirement toward the cost of such benefits, MESA shall have the right to adjust
its contributions so that its total contribution is no greater than is required under this MOU
and shall have a duty to provide any benefits lost through such legislation through a
supplemental health plan. If the cost of such additional benefits exceed the total MESA
contribution required by this MOU, the Parties will reopen negotiations for the purpose of
determining an alternative plan design which conforms with the legislation and any necessary
adjustments in contribution levels for both MESA and the employees covered hereunder.

14.9 Retired Employees

The MESA shall contribute $16.00 each month on behalf of each eligible retired employee.
Employees who retired prior to January 1, 1981 are eligible for medical benefits only.
Employees who retired between January 1, 1981 and January 1, 1984 inclusive are eligible for
Medical and Dental benefits only. Employees who retire subsequent to January 1, 1984 are
eligible for maximum medical, dental and vision care benefits in the amounts below:

As required by Government Code Section 22892, the City’s contribution toward medical
benefits only shall increase as follows:

$125.00 per month for calendar year 2016.

These increased City contributions rates shall remain in effect only as long as required by law.

Retired employees who qualify for the Federal Government Medicare Benefits are eligible for
Medicare Supplemental coverage only and may not elect any other medical insurance benefit.
They remain eligible for dental and vision care benefits as provided herein.

14.10 Retiree Supplement Account

The MESA shall establish a Retiree Supplement Benefit Account on behalf of each retiree
with eleven (11) or more years of service. The combination of the MESA’s minimum
employer contribution and Retiree Supplemental Benefit Account shall not exceed the

Additionally, in order to be eligible for this benefit, the employee's effective date of retirement must occur within one hundred twenty (120) days of the effective date of their separation from employment with the MESA and they must be enrolled in a medical, dental and vision care plan offered by the MESA. The surviving spouse of a retired employee who qualifies to receive these benefits is also entitled to receive the benefits in the event (a) they were designated by the employee prior to the employee's retirement, to receive a survivor benefit under the Public Employees’ Retirement System (PERS) plan, and (b) they are receiving said survivor benefit, and (c) they are a member of a medical, dental and vision plan offered by the MESA of Emeryville. In the event a retired employee has designated more than one survivor who satisfy the above criteria, benefit payments made pursuant to this Section shall not exceed the monthly amount recited above for all such eligible survivors of the employee.

Eligible employees are those who retire from the MESA for service or disability and who have been employed continuously by the MESA.

14.11 Long Term Disability

The MESA shall provide and maintain a Long Term Disability plan for all full-time active employees. The premium for such plan shall be paid by the MESA.

14.12 Health and Wellness

a. Employees shall receive a 15% discount on all current City facilities and current service fees including, but not limited to, childcare services provided by ECDC; facilities, programs and classes provided by the Community Services Department; the Senior Center; and rental facilities.

b. The MESA and SEIU representatives shall participate in a city-wide joint labor-management committee to discuss health and wellness programs for employees. Meetings will be held at mutually agreed upon times and places. Up to two employees may be released from scheduled duty to attend meetings of the committee.

Section 15 Salary

15.1 Rates in Appendix

The base wage rates for bargaining unit members are as set forth in Appendix A of this Memorandum of Understanding. The base rates shown in Appendix A shall increase by three and one-quarter percent (3.25%) effective on July 1, 2019; and by three percent (3%) on the first day of the first pay period beginning on or after July 1, 2020.

The City will pay bargaining unit members, employed with the City on date of payment, a non-pensionable lump sum payment of $750 no later than June 30, 2020. The lump sum amount will be included in regular payroll and is subject to all applicable payroll tax and withholding.

The City will pay bargaining unit members, employed with the City on date of payment, a non-pensionable lump sum payment of $750 no later than June 30, 2021, if and only if the City has reported cumulative Fiscal Year 2020-2021 transactions of Real Property Transfer Tax equaling no less than $2.4 million by March 31st of 2021. The lump sum amount will be included in regular payroll and is subject to all applicable payroll tax and withholding.

15.2 Police Communications Dispatcher - Training Differential
Employees in the classification of Police Communications Dispatcher, who are assigned in writing by the Department Head to train new employees as a "public safety dispatcher", shall be compensated with a premium pay in the amount of six percent (6%).

A. The premium pay is applied to the employee's current base salary step only. There shall be no "pyramiding" of such premium pay, except that this provision shall be in accordance with the provisions of the Federal Fair Labor Standards Act.

B. Parties agree that the application of this premium pay is not precedent setting and does not relieve any employee in the Representation Unit from assisting in the task of training new employees. This additional compensation to a Police Communications Dispatcher assigned by the Department Head to train a new employee in the duties of a public safety agency dispatcher reflects the complexity and scope of such duties.

C. The MESA agrees that employees are entitled to periodic and timely Performance Evaluations which outline performance and progress in their classification. Accordingly, the parties agree that the MESA may elect to require a Police Communication Dispatcher acting in the capacity of a trainer to prepare a performance evaluation report on the work of the dispatcher trainee under their direction; such reports will satisfy the performance evaluations required by Section 7.3(a) of this Memorandum of Understanding for probationary employees.

17.4 An employee who works on a holiday observed by the MESA shall be compensated for such holiday at the rate of time and one-half (1-1/2) the straight-time hourly rate in addition to regular holiday pay.

In this instance the employee may at the approval of their supervisor elect to have any portion of the compensation for holidays worked credited as compensation time.
