2. Streets and Maintenance
 - a. Overtime required to complete tasks in progress is assigned to the involved employee as

required for continuation of effort.

- b. Call outs and any other situation requiring overtime are offered by seniority within classification starting with the most senior employee. If no employee desires the overtime, overtime is assigned by seniority within the classifications starting with the least senior employee.

3. Other Employees

- a. For employees not within the Public Works Department (Water/Wastewater Treatment and Streets and Maintenance) required overtime happens infrequently and will be assigned in advance when practical with no established policies in place. The Department Manager assigns and approves overtime on an as needed basis.

4. For employees covered by this Agreement, hours worked beyond eight hours per day and/or forty hours per week shall be compensated to the nearest quarter hour worked and shall be compensated at one-and-a-half times the employee's hourly rate of pay.

5. In lieu of cash payment for overtime worked, employees may choose to "bank" any overtime hours (credited at one- and one-half times the actual overtime hours worked) for later use as compensatory time off (CTO). CTO may be accumulated to a maximum of one hundred and four (104) hours. CTO use must be pre-approved by immediate supervisor.

Each December 31, the City shall pay off all accumulated compensatory time to each employee at the current salary rate and each employee cannot accrue any additional compensatory time until after December 31, of the same year.

6. For the purpose of defining "hours worked", the following shall apply:

- a. Hours worked shall include all hours worked.

ARTICLE 13 - ASSIGNED STANDBY AND CALLBACK TIME

1. An employee who is eligible to receive overtime pay shall receive a minimum credit of three-hours (or the actual time worked if over three hours) of overtime as provided by this Memorandum of Understanding (MOU) if the employee reports to a job site in response to a call from a supervisor, Department Manager or designee of the Department Manager or City Manager, or in response to a call out by the Police Department or City facility alarm-initiated call.
2. Such employee shall not be considered to be in a stand-by status or eligible for stand-by pay.
 - a. If an employee is called back a subsequent time during a given three-hour period, such employee is not entitled to an additional minimum three hours of overtime.
 - b. Employees may not initiate their own callbacks.
 - c. An employee responding to an authorized call out may call in additional employee(s) if the situation requires additional employees to safely and/or effectively deal with the call

incident

3. Assigned Standby

- a. The City shall assign an employee to be on standby from Maintenance and an employee at Water and Wastewater Treatment during off hours and each employee shall be compensated in accordance with this section. For purposes of this Section, "assigned standby" shall be defined as a period of time during which an employee designated by their supervisor or Department Manager shall be available to provide services when needed. "Available" means that, during the entire standby period, the employee can be contacted immediately by those in need of services, either by telephone or other means of communication, and that the employee is able to commence providing the services within thirty (30) minutes of the contact.
- b. Employees shall be compensated at an assigned standby rate of two hours of pay at their regular hourly pay rate per day assigned as standby person.
- c. If called out to perform any service during an assigned standby period, the employee shall receive a minimum credit of two-hours (or the actual time worked if over two hours) of overtime in addition to the stand-by rate.

ARTICLE 14 - TEMPORARY ASSIGNMENTS TO HIGHER PAID POSITION

1. Effective January 1, 2017 an employee is temporarily assigned by their supervisor, the Department Manager or the City Manager to perform the duties of a higher paid position for five consecutive days or more, said employee shall receive additional compensation equal to 5% of their current salary provided that the resultant pay shall not exceed that of the employee being replaced.
2. A regular employee so temporarily assigned need not be qualified by examination or have standing on an eligibility list for the higher class. A temporary assignment of the duties of a higher class under this section is distinguished from a temporary appointment as provided in the Personnel Rules and Regulations, in that the employee is not appointed to the higher class but is assigned all of the duties of the higher class and is not paid the salary as provided for that higher class. The temporary assignment, unlike a temporary appointment, may be made without reference to an eligibility list.
3. A temporary assignment by a Department Manager of a regular employee to work in a higher class requires prior authorization by the City Manager. Temporary assignment pay will not be granted retroactively.
4. Temporary assignments may be made by the City Manager subject to the provisions above when a position is vacant or when an incumbent employee is absent from a position. Such assignments shall be temporary and shall terminate when the position is filled, when the incumbent employee returns to work, or when the temporary assignment is discontinued.
5. For extended assignments that will last beyond 30 days, the assigned employee shall receive compensation equal to Step 1 of the higher classification or an additional 5% of the assigned employee's current salary, whichever is greater, beginning on the 31st day of assignment. If an employee is at a step in a temporary assignment in excess of 365 days he/she shall be

moved to the next step in the salary range for the temporarily assigned classification.

6. A Personnel Action Form shall be completed by the Human Resources Office, approved by the Department Manager and City Manager, and placed in the employee's personnel file for each such assignment.
7. Should the assigned employee take any form of paid leave during the first 30 days of the temporary assignment, assignment pay will not be paid for any such leave hours taken.
8. Whenever reasonable, at the discretion of the City Manager or their designee, an employee's temporary assignment time may be applied to their promotional probationary period.

ARTICLE 15 - BILINGUAL INCENTIVE PAY

1. Any employee whose duty assignments require regular and frequent use of bilingual language skills shall receive bilingual pay. The determination of whether the employee's duty assignments require regular and frequent use of bilingual language skills shall be made by the City Manager. The employee shall retain such bilingual designation throughout the duration of the employee's assignment. When a regular employee is assigned to duties requiring regular and frequent use of bilingual language skills, s/he shall receive \$80.00 per pay period. When a regular Part-time employee is assigned to bilingual duties, the bilingual allowance shall be prorated and paid on the same basis that the part-time position is filled and compensated. The scheduled increases, during the life of the Agreement as identified above, shall also be prorated.
2. As used in this section, the phrase "regular and frequent" means that the employee's duty assignments normally require the employee to use bilingual skills at least once each working day, or at least five (5) times each work week. An employee's ability to read, write, or speak a foreign language, and/or occasional incidental use of foreign language skills on the job shall not warrant a bilingual allowance.
3. Employees must pass a fluency test as required by the City in order to be eligible for bilingual incentive pay. The fluency test will be administered by the Human Resources Office or its designee. All employee classifications are eligible for bilingual incentive pay.

ARTICLE 16 - LONGEVITY PAY

In recognition of long term service to the City, the City will provide one-time payments to employees as follows:

1% at the beginning of the eleventh (11th) year of employment;

An additional 1% at the beginning of the sixteenth (16th) year of employment; and

An additional 1% at the beginning of the twenty-first (21st) year of employment.

Longevity increases will begin on the regular pay period in which the employee's anniversary date falls, and will be included in the employee's regular paycheck.

ARTICLE 17 - REST, MEAL PERIODS, ALTERNATIVE WORK SCHEDULES

1. The City agrees to provide, except in cases of emergency, all full-time employees with two rest periods of fifteen minutes each during each day. One such rest period shall be prior to the meal period and the second rest period shall be following the meal period.
2. The meal period shall not be less than thirty minutes. The meal period shall be between the end of the third hour and the beginning of the sixth hour after work starts, unless otherwise agreed upon by the employee and their immediate supervisor, in accord with the applicable City policies as may be established.
3. The parties agree to implement an alternative work schedule option for certain classifications in the City of Fort Bragg. An employee may switch to an alternative schedule by mutual agreement with the Department Head or designee. Either party may cancel the alternative work schedule with one week's written notice if it is not meeting the needs of the Department or the employee.

The flexible work schedule will provide a variation, but not a reduction, in working hours intended to provide better "time planning" for employees' or department needs. For non-exempt employees, all hours must be in the same workweek. Any hours worked beyond the scheduled shift or beyond forty hours in the workweek will be paid at the normal overtime rate.

ARTICLE 18 - SICK LEAVE

1. **Accrual:** All full-time probationary and permanent employees shall accrue sick leave at a rate of eight hours per month beginning at the end of the first thirty one days of employment and sick leave may be accrued with no maximum limit.
2. **Personal Use:** Sick Leave may be used as accrued. It is to be used for illness or injury and may not be used to supplement days off except as may be provided in the Personnel Rules Section 15.2.
3. **Family Care Use:** Accrued sick leave may be used for care of the current spouse/domestic partner, children, siblings and parents, (be they natural, adoptive, step or foster of the employee or the parents of the employee's current spouse, if employee is married), grandparent or grandchild, It is further provided that an additional forty hours of accrued sick leave per calendar year may be used for such care in unusual or emergency cases with the approval of the City Manager.
4. **Documentation:** Employees will follow departmental policies in documenting sick leave used. A physician's certification form may be required at the discretion of the Department Manager or City Manager for absences of three consecutive work days or more, unless the Department Manager, Administrative Services Office and/or City Manager has questions and/or concerns about the frequency of absences, then the physician's certification form may be required for any amount of absences.

5. Conversion:
 - A. Sick leave accrued in excess of eight hundred hours may be converted to vacation on the basis of three hours of vacation time for each ten hours of sick leave accrued and converted.
 - B. Up to 25% of sick leave accrued in excess of one thousand hours may be converted without loss of balance of sick leave, to vacation on the basis of one hour of vacation time for each hour of sick leave accrued and converted.
 - C. Conversions may be made once each year in the month of December.
 - D. Conversion is not applicable if an employee is discharged for cause.
6. Transfer: An employee may transfer accrued sick leave to another employee in cases of emergency, subject to review and approval by the City Manager, on a case by case basis subject to the provisions of Personnel Rules Section 18.
7. Compensation on Separation: Upon separation after two or more years of service, an employee shall be paid for 30% of unused, accrued sick leave.
