ARTICLE 1: PURPOSE

It is the purpose of this Memorandum of Understanding to promote and provide for harmonious relations, cooperation and understanding between the City of Jackson and the employees covered herein; to provide an orderly and equitable means of resolving any misunderstanding or differences which may arise under this Memorandum of Understanding; and to set forth the full and entire understanding of the parties reached as a result of good faith negotiations regarding wages, hours and terms and conditions of employment.

ARTICLE 2: RECOGNITION

The City of Jackson (City) recognizes Service Employees International Union Local 1021 (Union) as the exclusive bargaining representative for employees holding classifications listed on Appendix "A."

The City shall recognize the Union as the exclusive bargaining representative for employees in any other classification which may be established substantially within the scope of the duties now included within the above-referenced classification. On an as needed basis, representatives of the City and Union shall meet for the purpose of assigning any other newly created classifications to the bargaining unit. Such placement shall be by mutual consent. In case of disagreement, an arbitrator shall decide the matter.

In disputes between the City and the Union over the assignment of newly created classifications to the bargaining unit, the arbitrator shall decide the matter on the following basis:

The arbitrator shall determine any dispute over whether or not the scope of duties of a newly created classification is substantially within the scope of duties now included within an SEID-represented classification or if a newly created classification is without clear recent precedent in the City service, whether or not the duties of such classification are in general character, similar to those within SEID-represented units. In case of an arbitration involving a classification without clear recent precedent in the City service, an arbitrator shall receive as relevant evidence the views of affected employees.

In the resolution of disputes arising from this section, the parties agree on the selection of a permanent arbitrator for each fiscal year from a panel of no less than five arbitrators. In case of disagreement on the selection of the five-member panel or the selection of the arbitrator, the provisions of Article 21 of this Agreement shall apply.

ARTICLE 3: POLITICAL ACTMITY

No person employed by the City shall, during his or her working hours, seek election, nomination, or appointment as an officer of a political campaign favoring or opposing any candidate for election, or distribute badges, pamphlets, dodgers or handbills of any kind favoring or opposing any candidate for election or for nomination to any public office. This resolution does not prevent any such officer or employee from becoming, or continuing to be a member of a political club or

organization, from attending political meetings, or from seeking or accepting election or appointment to a public office during his or her off-duty hours, nor does it prevent the display of campaign advertisement on personal vehicles.

Violation of any of these provisions of this article shall make the employee subject to disciplinary action.

ARTICLE 4: NO STRIKE/NO LOCKOUT

It is mutually agreed and understood that during the period this MEMORANDUM OF UNDERSTANDING is in force and effect, the Union will not authorize or engage in any strike, or work stoppage. The City agrees not to conduct a lockout against any of the employees covered by this MOU during the term of this agreement.

ARTICLE 5: FLSA COMPLIANCE

The City shall comply with the provisions of the Fair Labor Standards Act.

ARTICLE 6: SEVERABILITY

If, during the term of this agreement, there exists any applicable law, rule, regulation or order issued by governmental authority other than the City which shall render invalid or restrain compliance with or enforcement of any provision of this agreement, such provision shall be immediately suspended and be of no effect there under so long as such law, rule, regulation or order shall remain in effect. Such invalidation of a provision of this agreement shall not invalidate any remaining provisions, which shall continue in full force and effect.

In the event of such severance of a provision of this agreement, the City and the Union shall, within thirty (30) days of a request by either party, recommence meeting and negotiating upon a replacement, if any, for such severed provision.

ARTICLE 7: NONDISCRIMINATION

The provisions of this agreement shall be applied, subject to state and federal law, without discrimination because of mental, physical or sensory handicap, age, sex, sexual orientation, marital status, race, color, national origin, creed, religion, political affiliation, union activity, or membership or non-membership in any employee organization.

The City and the Union shall share jointly the responsibility for application of the above section.

7.1 Sexual Harassment. Sexual harassment may be summarized as follows: Sexual harassment consists of any unwanted verbal or physical conduct of a sexual nature directed toward an employee or member of the public doing business with the City or an employee's participation in creating a hostile work environment based on gender. Sexual harassment is cause for disciplinary action. Courtesy, consideration for others, and acknowledgment that the work place is for working are the collective basis for avoiding sexual harassment.

ARTICLE 8: SHOP STEWARDS

The City recognizes the need and affirms the right of the Union to designate two shop stewards and an alternate from among employees in the unit. It is agreed that the Union in appointing such shop stewards does so for the purpose of promoting an effective relationship between supervisors and employees by helping to settle problems at the lowest level of supervision.

The shop steward recognizes the fact that the supervisor is the key person for the City and, as such, is responsible to higher management for the quality and quantity of work. As the supervisor is the key person for management, the shop steward is the key person for the Union. They must promote and maintain good morale and friendly relations and must be willing to meet in good faith to settle grievances as they arise, exercising a positive approach. There must be mutual respect on both sides in these relations. The shop steward understands that his/her stewardship function does not relieve him/her from conforming to all rules of conduct and standards of performance established by law, regulation, City or Department policy or MOU.

The Union shall reserve the right to designate the method of selection of shop stewards. The Union shall notify the City in writing of the names of the stewards.

If a worker has a grievance and wishes to discuss it on City time with a designated steward, she/he shall be allowed the opportunity within a reasonable amount of time to verify if his/her designated steward is present and available to be seen.

A reasonable amount of time shall be granted to the worker and steward to handle the investigation of the grievance. The parties agree that in handling grievances, the worker and the steward will use only the amount of time necessary to handle the grievance and that such investigation may take place on City time.

Representatives of the Union shall be permitted to visit all properties wherein employees under this MOU are employed for the purpose of observing working conditions.

ARTICLE 9: UNION SECURITY

The City recognizes the Union as the sole collective bargaining agent for those miscellaneous employees, excluding safety employees, employed by the City of Jackson.

In accordance with AB119, both the City of Jackson and the Union shall abide by this law and follow the provisions set forth within, that was passed on June 27, 2017. Any disputes arising out of violations of this section shall be subject to the grievance procedures set forth in the MOU. Any material changes to any forms that are altered or created by this proposal are subject to negotiations.

12.1 Purpose of Evaluation. The preparation and use of employee evaluations are intended for the mutual benefit of the City and its employees. Employee evaluations should be used (a) to identify the evaluator's expectations for the employee's job performance, (b) to acknowledge above standard performance, (c) to prescribe the means and method of converting deficiencies to a required level of performance, and (d) to encourage two-way communication between employees and their evaluators as to how to improve the work environment to increase morale and efficiency.

If the probationary employee successfully completes the probationary period, at the commencement of the twelfth month of a probationary employee's probationary period, the employee's evaluator shall submit to the City Manager a report of appointment approving or disapproving the probationary employee's change of status from probationary to regular full-time. If the probationary employee fails to complete successfully the probationary period, he/she shall be terminated.

Until the evaluations are completed, the probationary employee shall not be eligible for step advancement; provided, however, that the probationary employee's evaluator shall complete the five-month evaluation and act on the probationary employee's status within thirty (30) days after the conclusion of the twelve-month evaluation period. The probationary employee whose status is changed from probationary to regular full-time after the conclusion of the twelvemonth probationary period shall be entitled to the appropriate step advancement retroactive to the conclusion of the twelve-month probationary period.

12.2 Evaluators. Employees shall be evaluated by a supervisor or department head who shall have personal knowledge of the job performance of the employee.

The evaluating supervisor or department head shall be referred to herein as an "evaluator."

Each employee shall be assigned an evaluator for the purposes of education, supervision, and evaluation. Each department head shall communicate to the City Manager the identity of the evaluator for each probationary employee.

12.3 Participatory Nature of Evaluations. Evaluation is intended to be participatory in nature involving the employee's input as much as the evaluator's. If desired by the employee, both employee and the evaluator shall separately complete the City evaluation form and then meet to discuss and share their results. The evaluator shall then complete a final version to be placed in the employee's personnel file.

12.4 Performance Evaluation System. All evaluators shall use the official form mutually agreed upon by the City and the Union. This form shall be made available from and distributed by the City Manager's office.

12.5 Time for Evaluation of Regular Full-Time Employees. Regular full-time employees shall be evaluated at least once per year within a month of the anniversary of their date of hire or promotion and thereafter whenever the City perceives the need for such evaluation.

12.6 Completion of Probationary Period The employee's evaluator shall complete an evaluation of the employee twice during probationary period. The first being no later than the end of the employee's third month and again no later than the end of the employee's eleventh month of his/her probationary period. The second evaluation during probation is to be used to determine whether the employee shall be assigned to regular full-time status or be assigned an extended probation period. Employees receiving an extended probation period shall continue to receive evaluations for the duration of the extension. After the second evaluation, if retention of the employee is warranted, the evaluator shall submit to the City Manager a report of appointment approving the probationary employee's change of status from probationary to regular full-time for final action by the City Manager.

The department head shall be responsible for ensuring an evaluation and report of appointment or termination or other appropriate document is completed and sent timely to the City Manager for review and final action.

Any evaluation, when completed, shall be reviewed with the employee by the evaluator during the employee's working hours without loss of pay or benefits to the employee. No evaluation shall be placed in any employee's personnel or other City record until the evaluation has been reviewed with the evaluated employee. Both the evaluator and the evaluated employee shall sign and date the review. The employee's signature shall not indicate that he/she agrees with the contents, conclusions or recommendations of the evaluation, but only that the employee has read the evaluation and has had an opportunity to discuss it with the evaluator.

12.7 Employees Right to Respond. Any employee who wishes to respond to his/her evaluation may use the employee's working hours to make such a written response and the response shall be appended to the evaluation and included in the employee's personnel file. Both the evaluator and the evaluated employee shall affix to such written response their signatures and the date upon which the evaluator receive such written response.

12.8 Copy of Response to Employee. The evaluator shall provide for retention by such employee a true and complete copy of such written response, and both the evaluator and the evaluated employee shall sign and date the written response.

12.9 No Appeal from Evaluation. Evaluations shall not be subject to the appeal or grievance procedures unless the employer utilizes an evaluation as evidence in a disciplinary proceeding.

12.10 Evaluator Training. The City shall provide a minimum of two (2) hours of training for all evaluators.

ARTICLE 13: POSTING AND FILLING OF OPEN POSITIONS

13.1 Notice to Employees of Open Positions. 13.2 Filling of Open Positions. The filling of open positions shall be conducted in the following manner:

- (c) The City Manager shall forward to the screening committee applications of all those applicants who meet the minimum qualifications for the position.
- (d) The screening committee shall meet and decide which of the qualified applicants are the most qualified applicants.
- (e) The screening committee shall interview a minimum of the three (3) most qualified applicants.
- (f) After interviewing the most qualified applicants, the screening committee shall rank those applicants and recommend the hiring order thereof based on the applications and interviews.
- (g) All work of the screening committee shall be done in confidence.
- (h) The Union shall be given notice by the City Manager which applicant has been selected to fill the open position.

ARTICLE 14: POSTING AND FILLING OF TEMPORARY VACANCIES:

When a temporary vacancy occurs, the City agrees to post an announcement of the temporary vacancy to allow employees an opportunity to work out-of-class to gain knowledge and experience for career advancement. The following guidelines will govern this section:

1. Temporary vacancy is considered to be for a period of between 30 and 90 days. Vacancies which the City intends to advertise and fill immediately do not fall within this category.
2. Employees applying for a temporary out-of-class assignment must be approved by their department head as applicants and meet minimum qualifications for the position posted. A City application form within the time period stated on the announcement must be used. No employee may be considered for temporary appointment if their department would have to fill behind them to meet minimum workload requirements.

3. Applications for working out-of-class will be accepted by the City Manager after a temporary position opening has been posted. The City Manager will screen all applications received and will forward the two (2) or three (3) most qualified employees for an interview with the selecting manager. The manager will select the employee who will work in the out of class assignment in the same manner as he/she would select an outside temporary for the position.
4. An employee working out-of-class can be terminated from the temporary position for reasonable cause as stated under Article 20. The employee would then regain his/her former position at the appropriate level before the out-of-class assignment. The employee shall suffer no loss of classification seniority in his/her original position as a result of filling a temporary vacancy.
5. Employees who have a complaint regarding the filling of a temporary vacancy can file an appeal with the City Manager who shall investigate all complaints and give a written response of the findings to the employee and the department head and recommend corrective action. Record of such complaints shall be kept separate from an individual's personnel file and will be treated in strict confidentiality.

The above conditions are in addition to the working out-of-class Section of this agreement. The City does not guarantee a regular full-time promotion to the employee working in an out of class assignment.

ARTICLE 15: TRANSFERS

Any regular City employee who desires to initiate a request for transfer to the same classification in another City department shall be given consideration based upon qualifications, performance, and length of service. Those employees requesting transfer to classifications in departments are subject to the rules of selection.

15.1 Voluntary Transfers - Demotion. Regular full-time employees, may voluntarily demote to any vacant position in a lower class in their current classification series within the department. Definition of a classification series shall be determined by the City Manager after consultation with the department head in the appropriate employee organization. With prior appointing authority approval, a regular full-time employee may transfer or voluntarily demote to any vacant position in a class of equal or lower salary in any department if the employee held regular full-time status in the classification within the previous twelve (12) months.

ARTICLE 16: TEMPORARY ASSIGNMENT TO A HIGHER CLASS

An employee assigned temporarily to work in a class with a higher designated range ("Temporary Range") than the range designated for such employee's regularly assigned class ("Regular Range") shall, upon approval by the City Manager, be paid in accordance with the Temporary Range during the temporary assignment.

During that temporary assignment, the employee shall be insured a wage increase of at least 5% based on the temporary range.

- a. An employee who believes that a department head has required that employee to work temporarily in a class with a Temporary Range higher than the employee's Regular Range, and who is not receiving the Temporary Range, may request through the department head that the employee be paid in accordance with the Temporary Range. The request shall be made within thirty (30) days of the assignment.
- b. The Department Head shall within five (5) working days approve or disapprove the employee's request and in either case shall inform the employee of his/her decision. Approval of the employee being paid at the Temporary Range shall be reviewed by the City Manager for final action and shall be retroactive to the date upon which the temporary assignment to a higher classification commenced.
- c. If the department head disapproves the employee's request, the City Manager shall investigate the request and the department head's decision and decide whether or not the employee's request is justified. If the employee's request is deemed justified, the employee shall receive the Temporary Range and if not, the employee shall not receive the Temporary Range. The decision of the City Manager shall be final.

ARTICLE 17: ACTING PAY AND RECLASSIFICATION

17.1 Acting Pay Allowance. Acting pay shall be paid at 5% above the employee's existing rate of pay beginning on the fourth consecutive working day in the acting capacity (retroactive to the first day after four days have been reached). Such acting pay is paid when the employee is designated by the Department Head to serve in an acting capacity to fill in responsibilities when another employee is on a leave of four calendar days (including weekends) or more.

17.2 Reclassification after One Year. An employee working in an acting position who works for one consecutive year in the acting position shall be reclassified to that position automatically.

ARTICLE 18: LAYOFF, BUMPING AND RECALL:

18.1 Layoff of Employees. When deemed necessary and directed by the City Council, a reduction in the City's work force may be initiated due to (i) lack of work, (ii) lack of funds, or (iii) program or organizational changes resulting in a surplus of employees, or elimination of a specific program or service. The City agrees to meet and consult with the Union prior to City Council consideration of potential layoffs.

Insofar as possible, a reduction in force shall be accomplished by attrition. When it is determined by the City Council that attrition will not provide sufficient relief for the condition warranting a reduction in the number of City employees, the Council may direct a specific layoff by department(s), budget unit, classification/series, in a number of employees pursuant to this policy.

Any required reduction in the number of employees shall be in the following order within the same classification and/or classification series within department:

1. Seasonal, temporary and extra-help employees;

2. Probationary employees;
3. Regular full-time employees.

When it is determined by the City Council that a reduction in the number of City employees is required, the City Manager and/or his or her designee and the affected department head will prepare a revised departmental allocation list which complies with the limitations imposed by the reduction in force. Such position allocation list shall be reviewed by the City Council at a regularly convened policy review meeting.

Thereafter, by resolution, the City Council will designate by department, the number and classifications of employees to be affected by the layoff, and the effective date of such layoff.

Employees shall be given a written notice of proposed layoff by his or her department head at least thirty (30) calendar days prior to the effective date of such action stating (i) the last day of work for the employee, (ii) reason for layoff, (iii) re-employment rights, (iv) voluntary demotion rights, and (v) appeal procedures. In the appeal, such layoff shall be in accordance with this Section of this Agreement, and shall be limited to the issue of seniority or the application of the procedures under this Agreement. This procedure does not affect the department head's authority to terminate intermittent, seasonal and extra help employees as dictated by the workload of the department.

A layoff for purposes of this section is defined as a reduction in the regular workforce expected to last more than ten (10) days.

Layoff of regular employees shall occur within their regularly assigned class and within their regularly assigned department (as described in Appendix A) and shall be in order of their seniority within their regularly assigned class so that employees with the least within-classification seniority are laid off first.

Layoffs shall occur within the department where the position or positions are deleted.

In the event of ties in seniority, the department head shall determine the order of layoff. The decision is to be based upon the most recent performance evaluation.

18.2 Bumping Rights. Bumping rights are within the regularly-assigned department. Extra-help employees do not have bumping, recall, or re-employment rights.

18.3 Bumping to a Lower Classification. Regular employees subject to layoff may bump to a lower class in which they held regular full-time status (passed probation) or if their accumulated class seniority is greater than another employee that is not otherwise subject to layoff and they meet the current qualifications for the position. Employees may also bump into a lower position they had not held which is in the occupational series (i.e.: MWI, II, III) in which they work if their seniority within the occupational series is greater than that of the employee holding the lower position.

18.4 Class Seniority Defined. "Accumulated Class Seniority" means all time spent in an occupational series (i.e.: Accounting Services I, II, III, Maintenance I, II, III, etc.).

18.5 Part-time/Full-time Bumping. A regular part-time employee may not bump a full-time employee. An employee may accumulate class seniority when bumping to a lower class in which they have attained regular full-time status. The seniority in the higher class will be added to the seniority in the lower class to determine the class seniority for bumping purposes.

18.6 Recall Lists. Regular employees laid off shall be placed on a recall classification list in order of their seniority so that the employee with the greatest class seniority is recalled first.

Recall rights are for a period of two (2) years following layoff.

Employees who have been laid off will be offered any vacant position within their former department at the same or lower class within the occupational series for which they qualify for a period of two (2) years. Such offers will be on the basis of accumulated class seniority.

Upon request, employees who have been laid off will be hired to fill vacancies in any department for the class they occupied or any class in which they held regular full-time status and continue to meet class qualifications for a period of two (2) years.

18.7 Recall Rights. An employee who is laid off shall have the following rights for a period of two (2) years following his/her layoff:

- a) To be rehired to any open position which the employee previously held in the department from which the employee was laid off.
- b) To be rehired to any open position in any department other than the department from which the employee was laid off which open position has the same classification as the position which the employee held immediately prior to his/her layoff unless the open position is to be filled by the promotion of another employee from that department.
- c) To be rehired to any open position covered by this Agreement for which position the employee meets all the minimum requirements unless the open position is to be filled by the promotion of another employee from that department.
- d) In the case of a rehire to subsection (b) or (c), the rehired employee shall complete the probationary period as required for other new employees. In the event of a failed probation, the employee shall be laid-off and be restored to the original recall list.
- e) The right of recall shall not accrue beyond the date on which the employee declines or fails to respond within five (5) working days to an offer of recall from layoff or two (2) years from the date of layoff, whichever occurs first, and upon expiration of such right, such employee shall be deleted from the recall lists.
- f) An employee re-employed within two (2) years following expiration of his/her right of recall from layoff shall be granted restoration of all sick leave available to such employee as of the date of layoff. The period of layoff shall not be considered a break in service for such employee, but his/her seniority shall be reduced by the

length of time intervening between the date of expiration of his/her right of recall from layoff and the date of his/her re-employment.

An employee re-employed either prior to or within two (2) years following expiration of his/her right of recall from layoff in a class other than the regularly assigned department class from which he/she was laid off shall be granted restoration of sick leave available to such employee as of the date of his/her layoff. Such employee shall be granted restoration of his/her seniority accrued prior to the date of his/her layoff or the date of expiration of his/her right of recall from layoff, whichever occurs last, but such restoration shall be granted only for purposes of determining the rate at which such employee shall earn and accrue vacation leave and for purposes of determining the date upon which such employee shall become eligible for benefits in accordance with the provisions of this Article.

ARTICLE 19: SENIORITY

A Seniority shall be determined by length of continuous paid employment within a classification (or series, if applicable), within a department. Time on unpaid leave or suspension shall not be included in calculated seniority. If the length of service within a classification is the same for two (2) or more employees, seniority shall be determined by the length of continuous paid employment from original date of hire.

B. Seniority shall be recognized in the event of:

1. Reduction in force
2. Recall
3. Scheduling of vacations
4. The rule of seniority shall apply to all regular full-time, regular part-time, and variable shift employees.

ARTICLE 20: DISCIPLINARY ACTIONS AND RELATED ACTIONS

A regular full or part-time employee may be disciplined only for just and sufficient cause. All evidence supporting disciplinary charges must be timely in relation to the incidents which are the basis for the proposed discipline. This does not preclude evidence of prior notice to the employee of similar conduct or prior disciplinary action against that employee.

20.1 Just and Sufficient Cause. Just and sufficient cause for City disciplinary action taken against any employee shall consist of any lawful reason.

20.2 Procedure for Providing Notice of Disciplinary Actions. Service of notice of proposed disciplinary action on the affected employee shall be made either in person or by certified mail addressed to the employee's last known mailing address.

If the affected employee can be served neither in person nor by certified mail addressed to the employee's last known mailing address or if for any reason the affected employee refuses or fails to take receipt of the notice, service shall be deemed complete three (3) days after the attempted service.

20.3 Progressive Discipline. The City shall use progressive discipline when the City believes that progressive discipline shall serve the dual purposes of providing both a corrective warning and a penalty to an employee whom the City intends to retain as an employee after the discipline. The City may begin discipline at any level depending on the employee's conduct. Progressive discipline shall not be required when the City believes dismissal to be the appropriate discipline because of the employee's conduct.

Progressive discipline shall consist of the following levels:

- (a) verbal counseling;
- (b) verbal warning;
- (c) written warning;
- (d) written reprimand;
- (e) suspension;
- (f) demotion;
- (g) dismissal.

An initiator may discuss with the City Manager the appropriate level of discipline prior to beginning any disciplinary action. Such discussion shall not prevent the City Manager from being the Step 3 decision-maker as set forth in Article 21.

ARTICLE 21: PROCEDURE FOR THE RESOLUTION OF GRIEVANCES

Employees are strongly encouraged by both parties to this agreement to meet with their immediate supervisor to discuss the issue that they are concerned about prior to filing a formal grievance.

Any grievance filed shall include the following information:

1. The state, federal, or local law, or the specific provision of this agreement or City rule, regulation, ordinance, practice or policy alleged to have been misapplied, misinterpreted or violated.
2. The facts pertinent to the grievance, including the names, dates, places and incidents necessary for an understanding of the grievance.
3. The alleged adverse effect upon the Grievant(s) resulting from said alleged misapplication, misinterpretation, violation or discipline without sufficient or just cause.
4. The remedy for such alleged adverse effect sought by the Grievant.

When the Grievant is an employee, failure by the City to adhere to decision deadlines of this procedure shall automatically establish the right of a Grievant to appeal to the next Step. Failure by a Grievant to adhere to a submission deadline at any step of this procedure shall mean that the Grievant is satisfied with the resolution, if any, of the grievance, that the grievance is terminated and that the Grievant waives any right to further appeal of the grievance. However, nothing in this section shall be construed to prevent the parties from extending either a decision deadline or a submission deadline by written mutual agreement.

A Grievant may terminate a grievance at any time by giving written notice to the other party of such termination.

The City shall allow an employee and/or his/her Union representative reasonable time off work without loss of pay or benefits in order to process a grievance during normal working hours.

In the case of multiple grievances on the same issue, the City may elect to resolve the issue by having one joint hearing on all the grievances.

Step 1: City/Employee/Union

Within fifteen (15) calendar days of when the Grievant could reasonably have known of the event or condition which forms the basis of the grievance, the grievance shall be presented in writing to the City official with supervisory authority over the Grievant or the Grievant's department head, or in the case of the City being the Grievant, to the affected employee or the Union.

Within five (5) working days of receipt of the grievance, the parties shall meet and attempt to resolve the grievance.

Within five (5) working days of such a meeting when the Grievant is an employee, the City supervisory or management official shall serve written notice of the decision to the Grievant. When the Grievant is the City, the employee or the Union shall notify the Grievant within five (5) working days if the grievance has been resolved.

If a grievance is not resolved to the satisfaction of the Grievant at Step 1, the Grievant may appeal the grievance in writing within ten (10) working days of receipt of the written decision at Step 1 or within ten (10) working days after the decision deadline at Step 1 has elapsed.

Step 2. Department Head Any appeal from a Step 1 decision on a grievance shall be in writing. The department head or the designated representative shall meet with the employee in an attempt to resolve the grievance within five (5) working days of receipt of the grievance. The department head shall render a written decision on the matter within five (5) working days of the meeting.

Step 3. City Manager The Grievant may appeal the decision at Step 2 to the City Manager by filing a written appeal within five (5) working days of receiving the decision from Step 2. The City Manager may conduct an independent investigation by a third party and/or hearing and render a decision within fifteen (15) working days. If either party is dissatisfied with the decision of the City Manager they may appeal the decision to Step 4 within five (5) working days of being given notice of the decision. If the City Manager does not respond to the appeal within the time limits, the employee may appeal to Step 4 within five (5) working days of the expiration of the fifteen (15) day period by filing a written request with the City Council.

Step 4. Evidentiary Hearing Before a Grievance Panel The employee or the Union may appeal the Step 3 decision to a grievance panel comprised of one Union appointee, one City appointee, and a neutral third party selected either (1) by mutual agreement or (2) from a list of seven provided by the State Mediation and Conciliation Service, in which event the parties shall alternately strike names from the list until one is left.

The arbitrator or other neutral third party shall designate and give notice of the date, time, and place for the hearing on the appeal as soon as possible, but no earlier than ten (10) days after a hearing is requested. The hearing shall, upon request of the employee, be public and informal, but shall be conducted by the arbitrator/neutral third party in the manner he or she deems to be expeditious and full presentation of the evidence and arguments of the parties in interest.

The grievance panel shall cause a tape recording to be made of the hearing.

The panel shall have the authority to subpoena witnesses and evidence and shall require that all witnesses give testimony only upon oath or affirmation.

The City shall make available for testimony in connection with this procedure any City employee whose presence is requested by the Grievant, or his/her representative. An employee witness required to appear in connection herewith shall suffer no loss of pay or benefits. The panel, by majority vote, shall have sole and exclusive authority to determine the relevancy and materiality of evidence offered. The panel may receive and consider evidence offered. The panel may receive and consider evidence in the form of an affidavit, but shall consider any objections made to such evidence. All evidence and arguments to be considered by the panel shall be introduced prior to the close of the hearing.

The panel shall render its decision on the appeal by majority vote immediately following the close of the hearing. Such decision shall be in writing and shall include the panel's findings of fact, which shall be conveyed to the parties or their designated representatives. The decision of the panel shall be final and binding upon the parties.

The cost of the hearing for all grievances and appeals shall be borne equally between the parties.

ARTICLE 22: LEAVES OF ABSENCE; UNAUTHORIZED ABSENCE

The City agrees to follow all applicable Federal and/or State Laws regarding leave requirements.

22.1 **Workers' Compensation.** An employee absent from duty due to an on-the-job injury or occupational illness shall be deemed to be on Workers' Compensation leave, pursuant to the California Labor Code. An injured employee must complete an injury report from the City of Jackson and State Employees claim for workers' compensation benefits pursuant to state law.

22.2 **Leave of Absence Without Pay.** Full-time and part-time employees may use vacation leave, holiday leave, sick leave, personal leave and other types of paid leave only on days and during the hours on which they have been scheduled to work. Leave of absence without pay may be granted to workers for up to one (1) year. Extension to leaves approved for less than one (1) year shall not unreasonably be denied, provided adequate advance notice is given. Inability to return to work after an employee's sick leave has been exhausted will be considered as an urgent and substantial reason, and in such cases a leave will be granted. If a worker wishes to return to work early from a leave of absence, he/she shall provide reasonable advance notice to the appointing authority.

A leave of absence will commence on and include the first workday on which the employee is absent and terminates with and includes the workday preceding the day the employee returns to work.

All applications for leave of absence shall be made in writing except when the employee is unable to do so. Upon an employee's return to work after a leave of absence, the employee will be reinstated to the employee's former position and working conditions provided the employee is capable of performing the duties of the former position. However, if there has been a reduction of forces or the employee's position has been eliminated during said leave, the employee will be placed in the position the employee would be in had the employee not been on a leave of absence.

An employee's status as a regular employee will not be impaired by such leave of absence, and the employee's seniority will remain unbroken.

An employee on an unpaid leave of absence as provided herein shall not accrue vacation or sick leave benefits nor maintain group insurance coverage. An employee may, however, at the employee's option and expense, maintain the employee's group insurance coverage, provided the full monthly premium is received by the City Manager on or before the first day of the month for which the premium is intended.

Absence under unpaid leave provisions herein shall not be considered a break in service, but all other benefits accruing to an employee under this agreement shall cease to accrue for the duration of any such unpaid leave of absence unless continuation of such benefit accrual is required in accordance with any other section of the agreement dictating such.

An employee holding a regular position may request a leave of absence without pay for any of the following reasons: illness, disability, pregnancy, or injury; to take a course of study which will increase the employee's usefulness on return to his or her position; for personal reasons acceptable to the approving authority; attendance at official union functions as an authorized delegate; family care leave. Nothing in this section shall violate California State Law or Federal Laws.

The above is exclusive of military leave and Workers' Compensation leave.

Employees granted a leave of absence without pay shall have the option to exhaust any accumulated vacation time or compensatory time-off prior to the beginning of leave of absence or to leave such vacation time or compensatory time off in their accumulated account. Once the leave of absence begins, the employee may not utilize any remaining accumulated vacation or compensatory time off. Employees requesting a leave of absence due to illness or disability (except pregnancy disability) shall use any accumulated sick leave prior to the requested beginning date of such leave.

An employee on leave of absence without pay due to illness or injury for a period of three (3) months or more shall present a statement by the employee's physician releasing the employee for normal duty prior to returning to work. The City may require examination by a designated physician to confirm that the employee is able to perform the required duties of the position.

22.3 Maternity and Parental Leave. Conditions and criteria governing Maternity Leave shall be consistent with the Federal Family and Medical Leave Act. A woman taking maternity leave may dovetail paid vacation leave and/or sick leave, with State Disability Insurance benefits to a maximum of her regular salary. The space shall be private and in close proximity to the employee's workstation and cannot be a bathroom stall. Breastfeeding mothers may use their regular paid breaks to pump milk and if more time is needed may utilize an additional unpaid break.

22.3.B Family-School Partnership Act. The City agrees to provide a total of forty (40) hours a year but not more than eight (8) hours in any one (1) month per the Family-School Partnership Act. The time off shall be paid and vacation time may be utilized for compensation. The employee must provide reasonable notice in writing to his/her supervisor of the upcoming activity and may be asked for written verification that he/she attended the school event.

22.3.C Kin Care. Regular employees shall be granted paid Kin Care Leave for the purposes of caring for a family member with a serious health condition. Use of Kin Care shall be charged against the employee's available sick leave or leave without pay. 22.3.D Leave for Victims of Domestic Violence. Employees shall be granted paid leave for eligible victims of domestic violence and shall be guaranteed time off per the Leave for Victims of Domestic Violence and Sexual Assault, Labor Code Section 230.

Any regular employee absent from work for service as a juror or absent from work for appearance as a witness in response to a subpoena to testify for the City of Jackson shall be granted paid leave of absence for the time necessary in going to, returning from and serving or appearing in such capacity.

The City shall require, prior to and/or following an employee's use of such leave, appropriate verification of the employee's need to be absent from work for service as a juror or for appearance as a witness in response to a subpoena to testify for the City

Any regular employee who shall be summoned for attendance to any court for jury duty during his/her normal working hours shall be deemed to be on duty and there shall be no loss in salary, but any jury fees received by him/her shall be paid forthwith to the City Treasurer to be deposited in the general fund of the City. Employees shall report to work for their regularly assigned shift prior to reporting for jury duty, or receive prior approval from their department head to report directly to jury duty. Employees released from jury duty during their normal duty hours shall report back to their department.

22.5 Bereavement Leave. A regular employee shall be granted paid leave of absence not to exceed five (5) days on account of the death of any member of the immediate family which shall include sister, brother, father, mother, in-laws, grandparent, grandchild, children of the employee, employee spouse (steps included), current significant other, or domestic partner.

Use of bereavement leave shall be charged against the employee's available sick leave unless the member of his/her immediate family who has died is a child, spouse, or parent of the employee, in which case the employee's bereavement leave to a maximum of three (3) days in any calendar year shall not be charged against the employee's available sick leave. Unless expressly electing otherwise, an employee who exhausts his/her available sick leave shall utilize his/her available compensatory time off until all available compensatory time off is exhausted, whereupon the employee shall utilize his/her available vacation leave until his/her available vacation leave is exhausted.

Until an employee exhausts sick leave, vacation balances may not be used. To use such special leave, written approval by the City Manager is required.

Under exceptional circumstances necessitated by distance to be traveled out of state up to additional two (2) days may be authorized by the City Manager.

22.6 Personal Necessity Leave. No more than five (5) days annually of a regular full-time employee's available sick leave may be taken for reasons of personal necessity.

22.9 Employee Sick Leave Bank

Employees covered by this MOU may voluntarily donate sick leave hours to the sick leave bank for persons who have exhausted their accrued leave hours (sick, vacation, compensatory time off (CTO), and holidays). Such donated leave time may be used to cover an employee's absence due to a catastrophic non-industrial illness or injury to the employee. Catastrophic illness or injury is one that has totally incapacitated the employee from work. The following guidelines shall govern:

- a. Only full-time regular or probationary employees who are covered by this MOU are eligible to donate or utilize hours donated to the Sick Leave Bank Program.
- b. At the program start-up, employees may donate up to a maximum of forty (40) hours to seed the bank. Thereafter, employees may donate a maximum of eight (8) hours each June and December (total of sixteen (16) hours per year) in increments of one (1) hour or more. Emergency donation periods may be authorized by the City Manager. Once donations are received the time is treated as leave accrued by the recipient of the donator. Donations are irrevocable and will not be returned to the employee under any circumstances. Donations will remain in the specific employees sick leave bank. Any unused donations will be made available for other eligible participants.
- c. An employee, his/her representative, or the employee's family member must request in writing, through his/her department head to the City Manager, the employee's participation and provide appropriate verification of illness or injury as determined by the City Manager. The City Manager will then determine the employee's eligibility to receive donations based upon the definition provided above and notify the Finance office.
- d. The employee using donated sick leave time shall continue to accrue all benefits as if using his/her regular sick leave accrual. Any vacation, sick leave or holiday hours earned while using donated sick leave hours shall be automatically deducted to offset sick leave bank hours.
- e. An employee may only use donated sick leave hours during the time following exhaustion of all the employee's accrued leave hours and the beginning of coverage under the Long Term Disability Plan (90 days from the date of occurrence).

22.10 Other Leaves of Absence. Notwithstanding other provisions of this Agreement, a leave of absence with or without pay may be granted by the City Council upon recommendation by the City Manager for any period of time and upon any terms acceptable to the City and the employee.

An employee's pay for any period of absence under any provisions of this section shall equal the pay which the employee would have received had he/she worked his/her regular hours and regular days in his/her most regularly assigned class, but not in any temporarily assigned higher class, during the period of absence.

No absence under any paid leave provision of this agreement shall be considered a break in service for any employee, and all benefits accruing to an employee under the provisions of this agreement shall continue to accrue during such absence. Absence under any unpaid leave provision of this agreement shall not be considered a break in service, but all other benefits accruing to an employee under this agreement shall cease to accrue for the duration of any such unpaid leave of absence unless continuation of such benefit accrual is required in accordance with the provisions of Article 21 above.

Any Department Head may develop a specific alternative work schedule, which alternative schedule may be implemented if the City Manager and Union so agree. Determination of alternative schedules in any department is subject to the meet and confer process. The City and SEITJ agree a flex time schedule may be initiated on a department by department basis and must be approved by a department supervisor or City Manager. The City must consider all such requests in good faith. Examples of a flex time schedule are those alternate work schedules which include, but are not limited to a "4/10" plan or "9/80" plan provided they conform to State and Federal law and do not violate the Fair Labor Standards Act.

In the event a flex schedule request is denied, the proponents may appeal their case through the meet and confer process. Such negotiations shall be conducted between SEill and the City Manager or designated appointing authority to review and discuss the reasons for the City's decision.

26.1 Rest Time. Every employee shall be granted compensated duty-free rest time at the rate of fifteen (15) minutes for each four (4) hours of continuous work or major fraction thereof.
