Learn about SEJ and upcoming meetings at seiu1021.org/SEJ

SEIU 1021's Social and Economic Justice Committee (SEJ) is committed to building partnerships with community allies in order to improve opportunities for working people, and in particular workers from under-represented, low-income, and diverse communities. SEJ supports caucuses and sub-committees designed to bring us closer to our mission of achieving a society where all workers and their families live and work in dignity and respect. Check out the full meeting calendar at seiu1021.org/SEJ.
