AGREEMENT

This Agreement entered into this 13th day of December, 2022, by and between the MARIN COMMUNITY COLLEGE DISTRICT, hereinafter referred to as “District”, and SEIU 1021, hereinafter referred to as “Union”.

ARTICLE 1: RECOGNITION

For the term hereof, the District recognizes the Union as the exclusive bargaining agency for employees covered by this Agreement. This Agreement shall apply to employees working in the classifications listed in the attached salary schedules, and to any other classifications which may be established within the scope of the duties now included within these classifications, excluding all office clerical employees, confidential employees, technical/quasi- professional employees, managerial employees, professional employees, and supervisors as defined by the Public Employment Relations Board.

ARTICLE 2: DUES

A. Employee Rights

1. The District and the Union recognize the right of employees to form, join and participate in lawful activities of employee organizations and the equal, alternative right of employees to refuse to form, join and participate in employee organizations. Neither party shall discriminate against an employee in the exercise of these alternative rights.
2. Accordingly, membership in the Union shall not be compulsory. A unit member has the right to choose whether to become a member of the Union.
3. Employee requests to change dues deductions shall be directed to the Union.

B. Payment Method

1. In accordance with Article 4 of this Agreement, a unit member may voluntarily sign and deliver to the Union a written authorization to deduct the properly established dues. Upon receipt of a monthly notice from the Union, the District will deduct from the pay of unit members and pay to the Union the normal and regular monthly dues.
2. There shall be no charge to the Union for dues deductions.
3. The District shall rely on information provided by the Union regarding authorizations for dues deductions. The Union shall hold the District harmless

and indemnify the District for claims made by employees for deductions made, or not made, in reliance on that information.

4. The District is under no obligation to make payroll deductions for periods during which a unit member is either terminated from employment or not on the District's payroll for any reason, including, but not limited to, layoff and voluntary leave of absence for more than thirty (30) days.
5. Upon the rehiring of any unit member, or upon the recalling of a unit member from layoff status, the District will treat such unit member as a new unit member.

C. Hold Harmless and Indemnity Provision

1. The Union as defined in this Agreement shall hold the District harmless, and shall fully and promptly reimburse the District for any fees, costs, charges or penalties incurred in responding to or defending against any claims, disputes, challenges, which are actually brought, against the District or any of its agents, in connection with the administration or enforcement of any Section in this Agreement pertaining to dues. Such reimbursement shall include, but not be limited to, court costs, litigation expense, and attorney's fees incurred by the District.
2. Upon notice that the District is going to seek indemnification or to be held harmless under this provision, the Union shall have the right to meet with the District regarding the reasonableness and merit of any claim, demand, suit or action for which the District seeks indemnification, and shall attempt to agree whether any such action shall be compromised, resisted, defended, tried, or appealed.
3. In determining whether or not such action shall be compromised, resisted, defended, tried or appealed, the District will defer to the Union's interests if the District does not have a distinct and separate legal interest in the disputed matter.
4. The District shall not be entitled to be reimbursed for any costs for which the Union was not properly notified and provided the opportunity to discuss as set forth herein; nor will the District be entitled to any reimbursement when the District's efforts in defending against such action would be duplicative, or when the District does not have a separate and distinct interest to defend.

An employee who is released to conduct the orientation may attend and travel to and from the orientation on work time, during normal business hours, if the employee is regularly scheduled to work at that time.

 - 1. *Effective January 1, 2024. Eight (8) hours within not more than eight and one-half (8.5) hours or eight (8) hours within not more than nine (9) consecutive hours shall constitute a day's work, depending on whether the employee is assigned a one-half (0.5) hour or one (1) hour lunch. This section will not apply to employees with an approved condensed workweek as provided below. This paragraph shall replace the paragraph above as of January 1, 2024.*

The District will provide unit members with an uninterrupted lunch break unless an emergency occurs that in the opinion of management requires an immediate response. In such cases the unit member will be allowed to resume a lunch break when the required work is completed.

1. Management may change the starting or quitting time of any shift not more than two (2) hours in any direction after consultation with the Union and the affected employee(s).
2. Management may change the starting or quitting time of any shift in case of emergency. "Emergency" as used in this Article shall mean an out of the ordinary or non-routine event which is unanticipated and cannot be performed during a normal work shift, and which would prevent/interfere with the normal functioning of the District. Management may not mandate an employee to change their shift, or work past their shift, to compensate for a problem which is not an emergency.
3. Management may agree with individuals as to any other shift time. Any employee or supervisor/manager may propose and agree on a change of work schedule, either hours, days or both. Overtime is defined as any time worked in excess of seven and one-half (7.5) hours in any one (1) day or in any one (1) shift or in excess of thirty-seven and one-half (37.5) hours in any workweek. All hours worked on the sixth (6th) and seventh (7th) days shall be compensated at time and one-half, assuming employees so compensated have an average regular work day of four (4) hours or more.

1. *Effective January 1, 2024, except as otherwise provided herein, all authorized overtime hours as defined in this Article shall be compensated at a rate of pay equal to time and one-half of the regular rate of pay of the employee. Overtime is defined as any time worked in excess of eight (8) hours in any one (1) day or in any one (1) shift or in excess of forty (40) hours in any workweek. If a full-time employee has a condensed workweek schedule (4 days/10 hours per day), overtime is defined as any time worked in excess of their regularly-scheduled shift in any one (1) day, or in excess of forty (40) hours in any workweek. All hours worked on the sixth (6th) or seventh (7th) days shall be compensated at time and one-half, assuming employees so compensated have an average regular work day of four (4) hours or more. This paragraph shall replace the paragraph above as of January 1, 2024.*

Overtime offered to the employees shall be compensated by payment to the employee or accrued as compensatory time off, as selected by the employee. Overtime funded by external rental/usage fees shall be compensated by payment only, and not in compensatory time off accrual. Compensatory time shall be taken at a time mutually acceptable to the employee and the District. Employees, other than sworn police personnel, may accrue up to sixty (60) hours per fiscal year as compensatory time. Sworn police personnel may accrue up to ninety (90) hours per fiscal year. Any compensatory time accrued beyond these amounts shall require the written approval of the employee's Department Manager. If the employee is not permitted to use the compensatory time by the end of the calendar year (December 31) after the fiscal year in which it is earned, then the employee shall be paid for it at their current pay rate by February 1.

The District shall establish a seniority list by classification. Whenever possible, supervisors shall assign overtime by rotating the list, giving preference to employees regularly assigned to the site where the overtime work is available. If overtime is refused, it will be counted in the rotation as if it had been worked. The District will make reasonable efforts to equitably distribute overtime.

For special events such as basketball tournaments, theater activities and political events where tickets are sold, a fee charged to the event sponsor or generates a large number of attendees and/or which contribute to an increased workload for custodians or gardeners, if management decides to assign overtime, it will assign a minimum overtime of four (4) hours. Management will attempt to provide as

much notice of the need for overtime as is reasonably possible to affected employees and to the appropriate shop steward.

For all College and non-college events sworn police officers and PSA's may be assigned at the discretion of the management. Consideration for these assignments should include the number of participants and the type of event.

Nothing in this section shall affect the call back provisions set forth in Section E.

- C. All employees shall be granted a paid fifteen (15) minute rest period in the first (1st) half shift and a fifteen (15) minute rest period in the second (2nd) half shift.
- D. A full-time employee called in to work on a day when the employee is scheduled to be on unpaid status shall receive a minimum of four (4) hours pay at time and one-half.

The employee is to be on-site performing assigned or related tasks for the entire duration of the call-back time and overtime.
- F. If a manager/supervisor calls a Maintenance & Operations employee to discuss work, and the employee is not called back to work, then the employee will be paid a minimum of thirty (30) minutes at the regular rate of pay. Telephone calls lasting longer than 30 minutes will be paid for the entire duration of the call.
- G. The Department shall post any regularly planned work schedule change or additions at least one (1) week in advance. This requirement shall not apply in cases when, essential to the orderly and safe operations of the District, such modifications must be made in a period shorter than one (1) week.
- H. Employees who are placed on standby duty by the District beyond their regularly scheduled work day or work week shall be compensated for such time at one-half (0.5) time their straight time hourly rate. Employees so assigned who are unavailable when contacted by the District shall be considered absent without authorization.
- I. Overtime for such employees is that time worked greater than eight (8) hours per day or forty (40) hours per week. These employees shall be granted a lunch period and two (2) fifteen (15) minute breaks per eight (8) hours per day, but shall be considered to be on duty at those times.
 - b. If a four (4) day, ten (10) hour shift is implemented, overtime for full-time and part-time sworn police personnel and/or PSAs will be paid for work in excess of ten (10) hours per day and on the 5th, 6th, and 7th day.
 - c. If a three (3) day, twelve (12) hour shift is implemented, overtime for full-time and part-time sworn police personnel and/or PSAs will be paid for work in excess of the twelve (12) hours per day for a scheduled twelve (12) hour workday, or over eight hours per day for a scheduled eight (8) hour workday, or over eighty (80) hours in a fourteen (14) day work period. These employees shall be granted a lunch period and three (3) fifteen (15) minute breaks per twelve (12) hours per day. A two-week period may consist of six (6) twelve (12) hour shifts and one (1) eight (8) hour shift, equaling forty (40) hours. The shifts may be modified to a shorter shift as needed.
2. Shift sign-up for Police Officers and Police Service Assistants (PSAs) shall have six (6) month shift cycles that run January through June, and July through December. Officers will be assigned to day watch, or swing watch, (with available watches depending on the number of hours per shift, as above). 7. The leave of absence shall be reported in the month in which the leave is taken, by the employee submitted leave on the electronic leave report.

E. Industrial Accident and Illness Leave:

6. When an industrial accident or illness occurs at a time when the approved amount of days will overlap into the next fiscal year, the employee shall be entitled to only that amount remaining at the end of the fiscal year in which the injury or illness occurred, for the same illness or injury.
7. When entitlement to industrial accident or illness leave has been exhausted, entitlement to other sick leave will then be used; but if an employee is receiving workers' compensation, the person shall be entitled to use only so much of the person's accumulated or available sick leave, accumulated compensatory time, vacation or other available leave which, when added to the workers' compensation award, provide for a full day's wage or salary.
8. During all paid leaves of absence, under this Article, whether industrial accident leave, sick leave, vacation, compensatory time off or other available leave provided by law or the action of a governing board, the employee shall endorse to the District wage loss benefit checks received under the worker's compensation laws of this State. When available, during the thirty-nine (39) month period, the person shall be employed in a vacant position in the class of the person's previous assignment over all other available candidates except for a re-employment list established because of lack of work or lack of funds, in which case, the person shall be listed in accordance with appropriate seniority regulations.
10. Any employee receiving benefits as a result of this Article shall, during periods of injury or illness, remain within the State of California unless the Governing Board authorizes travel outside the State.
11. During the period of time during which an employee is on sixty (60) day industrial accident or illness leave, the employee shall accrue service credit as if he were on regular paid service. 12. The leave of absence shall be reported electronically within the month taken by the employee submitting leave on electronic leave report.

F. Personal Necessity Leave:

1. Hours accumulated for sick leave may be used by an employee, at his/her/their election, in cases of personal necessity. No such accumulated leave in excess of 45 hours shall be used in any one fiscal year for personal necessity purposes. Effective January 1, 2024, employees may use up to 48 hours for personal necessity leave. Personal necessity is defined as any of the following:

Such written request shall be signed under penalty of perjury (affidavit). This request shall be submitted prior to taking the leave except as specified in section 2. above.
 4. The sick leave used for personal necessity shall be reported electronically within the month taken, by the employee submitting leave on electronic leave report. No payment for personal necessity shall be made unless submitted by the employee on the form specified by the Human Resources Office (including electronic means of filing) and signed by the employee and the immediate supervisor.

G. Uncompensated Leave:

The District recognizes that in certain instances a classified employee may wish extended leave for personal reasons.

1. Purpose: Uncompensated leave may be taken for personal reasons.
2. Eligibility: Uncompensated leave may be granted to permanent employees only. An employee shall have completed at least three (3) years of service with the District to be considered for uncompensated leaves requiring District approval. Leaves consisting of twenty-two (22) working days or less in duration per fiscal year do not require Board approval and minimum service and starting date requirements are not applicable.

which also must be approved through the established lines of authority

5. **Denial of Leave:** In the event that an application for uncompensated leave is denied, the employee may submit a written request for an explanation of the denial. Upon receipt of such request, an explanation shall be provided by the Superintendent/President and his/her/their designated representatives.

H. Family Care Leave:

It is the intent of this section of the collective bargaining agreement to make available to unit members leave under the Federal Family Leave Act (FMLA) and the California Family Rights Act (CFRA) (Government Code Section 12945.2). This section shall be applied and interpreted 'in accordance with the state and federal law and regulations. **All leave under this section is unpaid.**

1. **Eligibility:** A unit member who has worked in the District for 12 months and a minimum of 1,250 hours during the previous 12 months (rolling) is eligible for the leaves described below. Nine, ten and eleven month employees who return each year, are considered to have met the 12 month requirements so long as they meet the 1,250 hour requirement.
2. **Purposes for Which Leave May be Taken:**
 - a. Birth, adoption or foster care placement of a child (within one year of event).
 - b. Care of a family member with a serious health condition:
 1. Family member includes spouse, parent, (including person who stood in loco parentis to the employee), child (including foster, step and adult children and legal wards).
 2. Serious Health Condition is defined as any illness, injury, impairment or physical or mental condition that require either in-patient care in a hospital, hospice, or residential care facility, or continuing treatment by or under the supervision of a health care provider.
 - c. Unit members own serious health condition (except that CFRA excludes pregnancy disability which is covered under Government Code Section 12945).
3. **Duration of Leave:**
 - a. Leave may be taken for a total of 12 work weeks in a 12-month period (rolling).
 - b. Leave is pro-rated for part-time employees.

- c. Intermittent leave in the form of reduced workdays or work weeks may be taken due to a single illness or injury i.e. for chemotherapy, radiation, kidney dialysis or other treatments of a similar nature.
- d. Intermittent leaves as defined above shall be scheduled, to the extent possible, to minimize disruption to the District. An employee who requests leave on an intermittent or a reduced leave schedule may be required to transfer temporarily to a position that better accommodates recurring periods of absence than the employee's regular position.

4. Time for Commencement of Leave

- a. Leave for birth, adoption or foster care placement of a child must commence within one year of the birth, adoption or foster care event. Leave need not all be taken at one time.
- b. The unit member shall be required to first use personal necessity leave, if available, compensatory time and accrued vacation, but not sick leave in situations other than the unit member's own serious health condition. FMLA leave runs concurrently with these leaves, beginning with the first day of absence.
- c. If the situation is the unit member's own serious health condition, he/she/they shall be required to first use sick leave, accrued vacation, compensatory time, and five month "differential" leave in accordance with applicable law. FMLA leave runs concurrently with these leaves, beginning with the first day of absence.
- d. Pregnancy disability leave is treated separately under CFRA (See Government Code Section 12945).

5. Employee Notice

- a. If the need for leave is foreseeable, the unit member shall provide the District with reasonable (at least 30 days) written notice.
- b. If the need for the leave is unforeseeable, notice must be given as soon as practicable.
- c. The District may deny the leave for failure to provide notice if:
 - 1. The unit member had no reasonable excuse for failure to give notice;
 - 2. The unit member actually knew of the notice requirements; and
 - 3. The need for leave was clearly foreseeable.

6. Continuation of Benefits

- a. The District will continue to pay the unit member's health benefits to the same extent the District would have paid for such benefits if the unit member would have continued working during the time of leave under this

section.

- b. If the unit member does not return at the end of the leave, the District will collect from the unit member the amount expended for benefits unless the failure to return is because of disability or other reasons beyond the control of the unit member.
 - c. The District will not continue to pay for dental and vision benefits. The unit member can make arrangements to pay for these benefits, if he/she/they wishes them to continue.
 - d. The District and the unit member cannot continue to pay the retirement contributions because the unit member must be in paid status for these contributions to continue.
 - e. The unit member cannot continue the short-term disability/long-term disability payment because the unit member must be in paid status to make this payment.
7. **Status while on Leave:** Leave does not constitute a break in service for purposes of seniority or longevity.
8. **Spouse Employees:** If both spouses are employed by the District, the leave for both employees is limited to a combined twelve (12) weeks for the care of a family member for whom the employees are eligible to take FMLA/CFRA leave, with the exception of a newly-arrived child (see Section L, Parental Leave). For other purposes, each employee is entitled to twelve (12) weeks of leave.
9. **Medical Certification of Serious Health Condition**
- a. The unit member shall provide to the District medical certification of the serious health condition of a child, spouse or parent and a statement that the serious health condition requires the participation of a family member to provide care.

 - c. Medical Certification may be provided by a physician, osteopath or other health care provider designated by the Secretary of Labor.
 - d. The District may, at its expense, require additional medical evaluation and certification of the unit members own serious health condition (but not of the unit member's spouse, parent or child).
 - e. The District shall require a release to return to work from an employee's health care provider following leave for the unit member's own serious health condition.

10. Right to Reinstatement: A unit member is entitled to reinstatement to the same or a comparable position, if the position exists at the time of the unit member's return.

11. Procedure for Applying: Employees shall complete the appropriate form(s) and submit the form(s) to Human Resources. Forms are available from Human Resources.

I. Sick Leave Donation to Catastrophic Leave Program:

Provided that the unit member will have at least one hundred (100) hours of sick leave balance remaining after the donation, a unit member may voluntarily donate up to ten (10) days of their accumulated sick leave days per year to a catastrophic leave program for the purpose of benefiting another who has suffered a long-term illness or disability and who has exhausted all fully paid leaves. In no instance shall the employee sell and/or exchange sick leave for monetary or other considerations. If an employee wishes to donate sick leave days as stipulated above, he/she must contact the Human Resources Department to verify the number of accrued sick leave days they have available, and complete the appropriate form and submit it to the Human Resources Department in order to have the days transferred.

NOTE: It is understood that accrued sick leave can be applied to a unit member's service credit for retirement purposes. Any donation of sick leave hours will be deducted from an employee's sick leave accrual and will not be applied for service credit for retirement purposes.

J. Miscellaneous

All employees on approved, paid leaves of absence shall earn vacation, holiday and sick leave credit, accrue seniority, and be eligible for health and welfare benefits. Employees on unpaid leave and employees with thirty-nine (39) month re-employment rights shall, upon their return, retain seniority rights and step position on the salary schedule which they held at the beginning of the leave. Such employees shall be entitled to receive fringe benefit coverage during their period of unemployment if they pay the premium cost if the policy so permits.

Any working day absence shall be reported on the prescribed form designed by the District Human Resources Department. Positive reporting of duty may be required by the District.

When an employee returns to duty from an authorized leave of absence, he/she shall be reinstated in the same classification in which he/she was employed before such absence, assuming there is such a classification, or to a lesser classification to which he/she has seniority rights and written notification to the affected employee(s) shall be made at least thirty (30) days in advance in accordance with the Education Code.

K. Extended Illness/Injury Leave (Differential Leave)

As stated in Article 14, Sick Leave, when an employee is absent from duties on account of illness or accident for a period of five (5) months or less, the amount deducted from salary due for any month in which the absence occurs shall not exceed the sum which is actually paid a substitute employee employed to fill the position during the absence. This differential pay shall be paid for the remaining time following the exhaustion of all regular sick leave, accumulated compensatory time, vacation, or other available paid leave. The five-month differential leave period runs concurrently with these other paid leaves, starting on the first day of absence.

Differential pay, when applicable, shall be paid in conjunction with (and runs concurrently with) Family Medical Leave Act (FLMA) and California Family Rights Act (CFRA).

L. Parental Leave

1. Effective January 1, 2017, classified employees are entitled to up to twelve (12) work weeks of "Parental Leave" in the twelve (12) month period following the birth of a child of the employee, or the placement of a child of an employee in connection with the adoption or foster care of the child by the employee. During Parental Leave, the rate of pay is the employee's full pay if he/she/they has sufficient sick leave to cover the entire period of Parental Leave. If the employee does not have sufficient sick leave, the rate of pay is as set forth below.

Using the "differential" pay method of calculating extended illness leave, classified employees receive their full rate of pay less the amount actually paid the substitute employed to fill his or her position. If the employee is eligible for California Family Rights Act ("CFRA") leave, after exhaustion of all available sick leave, the employee shall receive differential pay or fifty percent (50%) of their regular rate of pay for the remainder of the twelve (12) workweek period, whichever is greater.

2. An employee is not required to have twelve hundred and fifty (1,250) hours of service with the District in the previous twelve (12) month period to qualify to take Parental Leave under this section. An employee is not required to use his/her/their sick leave for Parental Leave as a condition of using baby bonding leave under the California Family rights Act (CFRA). An employee who is eligible for CFRA leave may elect to take unpaid CFRA baby bonding leave and reserve his/her/their sick leave for later use (as sick leave, not as Parental Leave); however, if an employee elects to receive paid Parental leave, his/her/their entitlement to CFRA baby bonding leave is reduced by the period of Parental leave. Further, an employee who elects to take unpaid leave under

this section shall not be eligible for differential or fifty percent (50%) pay during the twelve (12) workweek period (if the employee is eligible for CFRA as above) until they have exhausted all current and accrued sick leave. Effective January 1, 2021, if both parents are employed by the District, each parent is entitled to up to twelve (12) workweeks of bonding leave under CFRA.

3. Parental Leave in this section shall run concurrently with CFRA baby bonding leave taken pursuant to Government Code section 12945.2, and the combination of the two leaves shall not exceed twelve (12) workweeks in a twelve (12) month period.
4. To apply for Parental Leave, employees need to complete the appropriate form(s) and submit the form(s) to Human Resources.

ARTICLE 16: GRIEVANCE PROCEDURE

A. Definitions

1. **“Grievance”**
 - a. A “grievance” is a claimed violation, misinterpretation, or inequitable application of a specific provision of this Agreement. A grievance may be initiated by any member(s) of the bargaining unit who has been adversely affected by a misapplication or violation of this Agreement and who has, when appropriate, completed and signed the grievance form. The Union Representative may co-sponsor any grievance and thereby become a party to the grievance.
 - b. If any unit member feels that there is an alleged violation of any District policy and/or procedure on employment, he/she must grieve in accordance with the procedures set forth in the applicable policy and/or procedure.
 - c. This grievance procedure is not applicable for member employees to address disciplinary action implemented pursuant to Article 26 of this Agreement. This shall not apply to a grievance related to disciplinary process.
2. A “day” is any day in which the District office of the Marin Community College District is open for business.
3. Time limits for appeal provided at each level shall begin the day following receipt of written decisions by the appropriate District representative. If the District fails to act within any time limit set forth in this Article, the grievance shall proceed automatically to the next step except as provided in Section C. 11. of this Agreement. Failure of the grieving party(ies) to proceed within any time limit set forth in this Article shall constitute a waiver of the grievance. Time

limits may be extended in writing by mutual agreement between the District and the Union.

4. The “supervisory/management team member” is the lowest level management or supervisory person who has been designated to adjust grievances and who has immediate jurisdiction over the grievant.

B. Procedures

1. It is the expressed intent of the District and the Union that grievances be resolved expeditiously at the lowest level.
2. Nothing within this procedure shall be construed to limit the right of a unit member to informally discuss any employment problem with the immediate supervisor or designated management person.
3. The Executive Director for Human Resources & Labor Relations, or designee, may act as a resource person to provide information as requested at any level of the grievance procedure. The Administrative Dean may also intervene at any point in the procedure to provide necessary assistance.

Level I

Within ten (10) days of when the grievant knew or reasonably should have known of the act or omission which gave rise to the grievance, the grievant must request to informally discuss the problem with the immediate supervisor or designated management person. A meeting will be convened as soon as possible with the appropriate supervisor. The District shall communicate a written decision within ten (10) days of the meeting.

Level II

If the grievant is not satisfied with the decision at Level I, within ten (10) days after receipt of the Level I response, the grievant must present such grievance in writing on the appropriate form to the Executive Director for Human Resources and Labor Relations, or designee. The grievance shall consist of a clear and concise statement of the problem, the specific provision of the Agreement involved, and the specific remedy sought. Should the grievant and/or Union representative request a conference, the appropriate Dean or Vice President, or designee, grievant and/or Union representative shall meet at a mutually convenient time in an effort to resolve the grievance. Extensions shall be granted to accommodate such meetings. The appropriate Supervisor/Manager may also participate in this meeting, if deemed necessary by the Dean, Vice President, or designee. At such meeting; either party may request the presence of relevant witness including, but not limited to supervisory/management team personnel. (Union status quo). The District shall communicate a written decision within ten (10) days of the meeting.

Level III

If the grievant is not satisfied with the decision at Level II, within ten (10) days after receipt of the Level II response, the grievant may appeal the decision on the appropriate form to the Superintendent/President or designee. Should the grievant and/or Union representative request a conference, the Superintendent/President, the Executive Director for Human Resources & Labor Relations, or designee, grievant and/or Union representative shall meet at a mutually convenient time in an effort to resolve the grievance. Extensions shall be granted to accommodate such meetings. The appropriate Vice President and/or Manager may also participate in this meeting, if deemed necessary by the Superintendent/President or designee. At such meeting either party may request the presence of relevant witnesses including but not limited, supervisory/management team personnel. The Superintendent/President shall communicate, in writing, a decision within ten (10) days of the meeting.

Level IV (Arbitration):

There shall be two options that may be pursued if a grievance is appealed to arbitration. The option shall be selected by the Union. Once an option is selected it shall be the sole process by which the grievance shall be resolved, unless the parties agree otherwise in writing.

Option 1.

- a) Within ten (10) twenty (20) (Union status quo) days of the grievant's receipt of the decision at Level III, the Union shall inform the District of its intent as to whether or not the grievance will be arbitrated. The Union and the District shall attempt to agree upon an arbitrator. If no agreement can be reached, they shall request that the State Conciliation Service supply a panel of five (5) names of persons experienced in hearing grievances in public schools. Each party shall alternately strike a name until only one (1) name remains. The remaining panel member shall be the arbitrator. The order of the striking shall be determined by lot.
- b) If any question is raised as to whether or not the grievance is arbitrable, the question must first be heard and a decision rendered by the Arbitrator prior to hearing the merits of the grievance.

The fees and expenses of the arbitrator deciding the issue of arbitrability shall be borne by the party which raised the question of arbitrability.

- c) The arbitrator shall, as soon as possible, hear evidence and render a decision on the issue or issues so submitted. If the parties cannot agree upon the issue or issues submitted to the arbitrator, each will submit a separate statement to the arbitrator to determine the issues.
- d) The District and the Union agree that the jurisdiction and authority of the arbitrator so selected and the opinions the arbitrator expresses will be confined exclusively to the interpretation of the express provision or provisions of this

Agreement at issue between the parties. The arbitrator shall have no authority to add to, subtract from, alter, amend, or modify any provisions of this Agreement or impose any limitations or obligations not specifically provided for under the terms of this Agreement. The arbitrator shall expressly confine him/herself to the precise issues submitted to him/her and shall have no authority to consider any other issue not so submitted to him/her. The arbitrator shall be without power or authority to make any decision that requires the District or the administration to do an act prohibited by law.

- e) After an evidentiary hearing and after both parties have had an opportunity to make written arguments, the arbitrator shall submit in writing to all parties his/her findings and award.
- f) The award of the arbitrator shall be final and binding.
- g) The fees and expenses of the arbitrator and the hearing shall be shared equally by the District and the Union. All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expense of witnesses called by the other. Either party may request a certified court reporter to record the entire arbitration hearing. The cost of the services of such court reporter shall be paid by the party requesting the reporter or shared by the parties if they both mutually agree. If the arbitrator requests a court reporter, then the costs shall be shared by both parties.
- h) By filing a grievance and processing it beyond Level III, the grievant expressly waives any right to statutory remedies or to the exercise of any legal process other than as provided by this grievance/arbitration procedure. The processing of a grievance beyond Level III shall constitute an express election on the part of the grievant that the grievance/arbitration procedure is the chosen forum for resolving the issues contained in the grievance, and that the grievant will not resort to any other forum or procedure for resolution or review of the issues. The parties do not intend by the provisions of this paragraph to preclude the enforcement of any arbitration award in any court of competent jurisdiction.

Option 2.

If the grievant is not satisfied with the decision at Level III, the Union may within twenty (20) days of the receipt of the decision, submit a request in writing to the President of the College to convene a Grievance Resolution Committee comprised of no more than two representatives from the Union and two representatives of the College. They shall meet with a facilitator/mediator acceptable to the parties. The role of the facilitator/mediator is to facilitate/mediate with the Committee for the purpose of reaching a consensus for resolving the grievance. Meetings shall be convened for the purpose of exploring the parties' mutual and varied interests, creating options for and selection of the option(s) that best meet the interests of the parties in resolving the

grievance. It is not the function of the Committee to determine rights, hear evidence or assess violation of the contract.

Resolution of the grievance may be achieved in one of two ways:

1. If consensus is reached, that consensus is reduced to writing, signed by the Committee members, and is final and binding on the parties.
2. If consensus is not reached within 15 days, then the neutral shall act as a hearing officer and shall submit a recommendation as to the resolution of the matter. The recommendation shall be submitted to the Superintendent/President or designee, who shall forward the recommendation to the District's Board of Trustees for consideration and final determination.

C. Miscellaneous

1. No reprisals of any kind will be taken by the District against any grievant, any party in interest, or any other participant in the grievance procedure, by reason of such participation.
2. The grieving party(ies) has the right to be represented at any step in this procedure by the Union. However, nothing contained herein will be construed as limiting the right of any unit member having a grievance to discuss the matter with an appropriate member of management, and to have the grievance resolved without intervention or presence of the Union; provided that the resolution is not inconsistent with the terms of this Agreement, and provided further, that prior to any agreement on the resolution, the Union has been given ten (10) days in which to study the issues and to state its views.
3. If the District management fails to respond in writing to the grievance within the specified time limit, the grievant has the right to process the grievance at the next level. If the grievant does not process the appeal within the given time limits, the grievance shall be considered as settled and the grievant cannot thereafter grieve the issues again. The time limits specified at each level should be considered maximums and every effort should be made to expedite the process. The time limits for a specific grievance, however, may be extended by written mutual agreement.
4. With respect to a particular complaint or grievance of an employee concerning the interpretation or application of this Agreement, and upon the employee's written authorization, the business representative of the Union may inspect and obtain copies of relevant material in the employee's personnel file upon which the District is or will be relying, during regular business hours and with one (1) business days' notice.
5. The grieving party(ies), one (1) Union Steward, and any necessary witnesses shall be granted release time to participate as necessary in a grievance proceeding. The grieving party(ies) and one (1) Union Steward shall be granted release time to attend any hearings or meetings between the grieving party(ies)

and the District required by this grievance procedure. Necessary witnesses subpoenaed to testify at a hearing shall be granted release time for the duration of their appearance at the hearing.

6. During the pendency of any grievance, the grieving party(ies) shall continue his/her assigned functions until final resolution of the grievance.
7. A copy of the form for processing grievances is attached hereto and incorporated herein as Exhibit C. The cost of preparing these forms shall be borne by the District, and they shall be made available to unit members upon request. The use of District equipment or extraordinary use of District facilities in the preparation of grievances shall be prohibited.
8. If a grievance involves unit members with different immediate supervisory/management team members, the grievance may be submitted at Level II.
9. If the outcome of a grievance applies to unit members not named in the grievance, the outcome shall apply to all similarly situated unit members.
10. By mutual agreement, any level or levels of the grievance procedure shall be waived.
11. No management or supervisory employee at Level I or the Executive Director for Human Resources and Labor Relations at Level II of this Article shall be required to handle more than two (2) SEIU grievances at a time. C. Procedures

When the employee is entitled to *Skelly* due process rights, the procedures in this Article shall constitute the *Skelly* due process.

1. **Commencement of Disciplinary Action – Permanent Employees Notice of Intent to Take Disciplinary Action (“Notice”):**
When the District intends to demote (as set forth in this Article), suspend, or dismiss a permanent employee, the employee shall be served with a Notice of Intent to Take Disciplinary Action (“Notice”). The Notice shall include all of the information called for below.
 - a. **Service of Notice.** The Notice shall be made in writing and served in person or by registered or certified mail to the employee at the last known address. Service shall be deemed complete upon personal

service or, if served by mail, five District business days after deposit in the mail with postage prepaid.

A copy of the Notice shall be mailed or emailed to the Union representative at the same time unless the employee requests otherwise.

- b. **Causes, acts/omissions, and rules/regulations.** The Notice shall set forth the causes and, in ordinary and concise language, the specific acts and/or omissions upon which the disciplinary action is based. If it is claimed that an employee has violated a rule or regulation, the rule or regulation shall be set forth in or attached to the Notice.

No disciplinary action shall be taken against a permanent employee for any cause which arose prior to the employee's becoming permanent, nor for any cause which arose more than twenty four (24) months preceding the date of the Notice, unless such cause was concealed or not disclosed by such employee when it could be reasonably assumed that the employee should have disclosed the facts to the District.

- c. **Effective date.** The Notice shall contain the date the disciplinary action will be effective. In the case of a hearing on the charges under this Article, the District will postpone the effective date until a date on or after the date the Governing Board issues its Decision.
- d. **Informal Conference.** The Notice shall inform the employee of the right to request a pre-disciplinary Informal Conference. The Informal Conference shall take place no later than ten (10) calendar days after service of the Notice, unless the employee and District mutually agree otherwise. The purpose of the Informal Conference is to provide the employee with a pre-hearing opportunity to respond orally and/or in writing to the charges. The Superintendent/President or designee shall consider the employee's response. The employee and District may discuss resolution of the charges set forth in the Notice. The employee may bring a representative of the employee's choice to the Informal Conference, provided the employee notifies the District of the representative's name and contact information at the time the employee requests an Informal Conference. Within ten (10) District work days after the Informal Conference, the District shall notify the employee of the decision to dismiss, to uphold, or to modify the causes or disciplinary action specified in the Notice.
- e. **Right to a Hearing on the Charges.** The Notice shall advise the employee of the right to a hearing on the charges by submitting a written request for hearing within ten (10) District work days after service of the Notice. The Notice shall include a Request for Hearing form, the signing and returning of which shall constitute a demand for hearing and a denial

of all charges. The employee's failure to sign and return the Request for Hearing form to the Superintendent/President within ten (10) District work days shall constitute a waiver of the right to a hearing on the charges and discipline.

2. **Conduct of the Hearing:**

- a. **Hearing Officer** - The Governing Board shall determine whether any hearing will be conducted before the entire Governing Board or one or more named members of the Governing Board or a Hearing Officer. The Hearing Officer shall be selected by the Governing Board. The hearing shall be in executive session (closed) unless the employee requests in writing that the hearing be held in open (public) session to the extent allowed by law.
- b. **Notice of Hearing** - The Governing Board or the Hearing Officer shall set the matter for hearing and shall give the employee at least twenty (20) District work days' notice in writing of the date and place of such hearing.
- c. **Release Time** - If the hearing is held during the work hours of employee(s) or witness(es), such employee(s) shall be released without any loss of pay or benefits, for the time they appear at the hearing.
- d. **Rights of Employee** - The employee shall attend any hearing, unless excused by the Governing Board or the Hearing Officer, and shall be entitled to:
 - 1) upon request, have copies of the materials upon which the charges are based;
 - 2) be represented at the employee's own cost by counsel or any other person at such hearing;
 - 3) testify under oath;
 - 4) compel the attendance of other employees of the District to testify as the Governing Board or Hearing Officer deems pertinent to the inquiry;
 - 5) cross-examine all witnesses appearing against him/her and all employees of the District whose actions are in question or who have investigated any of the matters involved in the hearing and whose reports are offered in evidence before the Governing Board or Hearing Officer;
 - 6) impeach any witness;
 - 7) present such affidavits, exhibits and other evidence as the Governing Board or Hearing Officer deems pertinent to the inquiry;
 - 8) argue his/her/their case.

The party attempting to substantiate the charges against the employee shall be entitled to the same privileges.

- e. Evidence - The hearing shall be informal and need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule which might make improper the admission of such evidence over objection in civil actions. Hearsay evidence may be admitted for any purpose but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. The rules of privilege and of official or judicial notice shall be effective to the same extent as in civil actions. Irrelevant and repetitious evidence shall be excluded. Oral evidence shall be taken only under oath or affirmation.

- f. Exclusion of Witnesses - The Governing Board or Hearing Officer may in his/her/their discretion exclude witnesses not under examination, except the employee and the party attempting to substantiate the charges against the employee, and their respective counsel or representative. When hearing scandalous or indecent conduct testimony, all persons not having a direct interest in the hearing may be excluded.

- g. Burden of Proof - The burden of proof to sustain a disciplinary action shall remain with the District.

- h. Record of Hearings - The hearing shall be recorded by the District. At least two (2) District work days prior to the hearing, the employee may inquire how the hearing will be recorded. If a court reporter is not to be used and the employee requests that such reporter be used, the cost shall be borne by the employee; however, if the District desires a copy of the transcript, the cost of the reporter and of the transcript shall be borne equally by the District and the employee.

- i. Transcripts of Hearings - Transcripts of hearings shall be furnished to the employee on payment of the cost of preparing such transcripts. When transcripts are prepared by the employees of the District, the cost shall be determined by the Assistant Superintendent/Vice President, Administrative Services. When transcripts are provided by an independent contractor, the cost will be established by the independent contractor.

- j. Continuances - The Governing Board or Hearing Officer may grant a continuance of any hearing upon such terms and conditions as he/she/they may deem proper, including in his/her/their discretion the condition that the employee shall be deemed to have waived salary for the period of continuance.

3. Decision – Findings and Conclusions:

Upon completion of the hearing, the Governing Board shall issue a Decision which includes findings of fact and, if the decision is to demote, suspend, or dismiss the employee, the cause(s) that have been established by a preponderance of the evidence.

If the hearing is not before a quorum of the Governing Board, the Hearing Officer shall submit written findings of fact and conclusions as to cause(s) to the Governing Board for its consideration. If the Governing Board accepts the Hearing Officer's findings and conclusions, it shall issue a Decision on that basis and need not read the record of the hearing. If the Governing Board declines to accept the Hearing Officer's findings and conclusions, the Governing Board must read the record or hold a new hearing, after which it may adopt the findings and conclusions made by the Hearing Officer, or make its own findings and conclusions and issue a Decision.

Unless the Decision provides otherwise, it shall be effective immediately. A notice of the Decision shall be mailed promptly to the employee and his/her/their counsel or representative, if any.

Except for the correction of clerical error, such Decision shall be the Governing Board's final decision.

ARTICLE 27: COMPLETION OF AGREEMENT

This document comprises the entire Agreement between the District and the Union on the matters within the lawful scope of negotiations. The District shall have no further obligation to meet and negotiate, during the term of this Agreement, on any subject whether or not said subject is covered by this Agreement, even though such subject was not known nor considered at the time of the negotiations leading to the execution of this Agreement except where the Agreement so provides.

ARTICLE 30: PERSONNEL FILES

The employee shall contact the Human Resources Department to make an appointment during normal business hours.
2. The employee shall have the right to have a copy of any document in his or her official personnel file.
3. Documents which the employee request to be placed in his/her file shall be so included subject to reasonable limitation of size, number and relevance.

4. 5. Materials relating to disciplinary actions in the employee's personnel file which have been in the file twenty four (24) or more months may not be used. At the request of the employee, upon consent of the district materials relating to the disciplinary actions which are twenty four (24) or more months old may be removed, provided there has been no reoccurrence of the conduct on which the discipline was based.

ARTICLE 31: SAVINGS CLAUSE

If any provision of this Agreement should be held invalid by operation of law or by any court of competent jurisdiction, or if compliance or enforcement of any provision should be restrained by any tribunal, the remainder of this Agreement shall not be affected thereby, and the parties shall enter into negotiations for the sole purpose of arriving at a mutually satisfactory replacement for such provision.

ARTICLE 32: RE-OPENER

Recurring maintenance and operations work is understood to include, though not necessarily be limited to, crafts, ground and custodial work, police work, and, to the extent the work is within the SEIU unit, computer work, network and telephone technician work, systems operator and developer work, and programming work.
