

LOCAL 21 / SEIU 1021 INFORMATIONAL PICKET

Wed., Sept. 25, at Noon
14th St. and Broadway

Wear your union shirts!

City workers love Oakland. But many city workers are doing the jobs of 2 to 3 people because the City Administration refuses to solve the understaffing crisis. There are more than 600 unfilled vacancies.

We're dedicated, but Enough is Enough. Join us as we rally to improve public services and build an Oakland for everyone.
