

# SEIU Local 1021 City of Oakland Chapter

**FIGHT BACK AGAINST CUTS!**

The City of Oakland continues to undermine our bargaining process while stripping away benefits rather than rewarding your hard work! All this while rejecting or ignoring every proposal we have made to improve wages, benefits, and working conditions. It's time to march to the council!

**Join us  
for a rally**

**WEDNESDAY, JUNE 17**

**Oakland City Hall  
Frank Ogawa Plaza**

**Rally at 11 a.m.**

**Council chambers at noon**
