

# MAY Day

## INTERNATIONAL WORKERS DAY

Workers' rights, public services, democracy, and policies designed to prevent and mitigate the role of racial, ethnic, and gender bias are under attack from the highest levels of power. There has never been a more crucial time for working people to unite and say with one voice: We will NOT give up OUR communities, OUR state, or OUR nation to corporations, billionaires, and white supremacists!

**THURSDAY, MAY 1  
4 P.M.
