If more than one (1) of such positions is available, reemployment will be into the highest available class. Bargaining unit members laid off have the right to apply and be interviewed, if necessary to determine possession of "essential skills," for such vacant positions within the District during the period of thirty-nine (39) months. Hours in paid status shall only be used as a tie-breaker when two or more employees share the same hire date.

13.5.2 Reemployment after Voluntary Demotion

It is the intent of the parties that the District has the right to direct the work force in order to provide services; and in providing such services, it is the intent that the utilization of non-bargaining unit members will not result in the arbitrary or capricious displacement of laid-off or reduced bargaining unit members, or the arbitrary or capricious denial of recall rights of bargaining unit members on the recall list.

13.7.3 Placement as Substitute After Layoff

If the District utilizes substitutes, bargaining unit members who have been laid off and who have seniority in that class will be given the opportunity to work as substitutes if such bargaining unit members request placement on the substitute roster. Compensation for such substitute employment shall be at the established substitute rate.

13.7.4 No Re-Negotiation

Subjects covered in this article shall not be subject to re-negotiation in the event of layoff, nor will the implementation of layoffs be delayed by any request to negotiate any effects of layoff.

2. Employees in need of technical support must bring district owned equipment to their District/College Worksite, during regular work hours and after making a prior arrangement with IT. Technical support from IT is only available during posted support times by the District.
3. If the employee needs specialized support (i.e. issues with Internet connection) beyond the types of technical support normally provided by the District to all employees, the employee must make their own arrangement for technical support.
4. In the event of delay in repair or replacement of equipment, resolution of technical issues or any other similar circumstances making it impossible for the employee to telework, the employee must work from their District/College Worksite until the issue is resolved.

11.15 Change in Part-Time Assignment

A unit member who works a minimum of thirty (30) minutes per day in excess of their part-time assignment for a period of twenty (20) consecutive workdays or more, shall have their basic assignment changed to reflect the longer hours, commencing on the twentieth (20th) day, in order to acquire their fringe benefits prorated accordingly.

12 Years	58 Years
11 Years	59 Years
10 Years	60 Years

The unit member is responsible for any costs associated with deductibles or co-payments.

A District-approved leave of absence to a maximum of one school year within the past five years shall be computed as fulfilling one year of full-time required service, so far as this leave was granted in one Board action. The unit member shall be covered by the medical plan at the time of their retirement.

16.3.2 A "retired" unit member shall be defined as one who has retired from service and who is eligible for or is receiving a retirement allowance from the Public Employees' Retirement System or the State Teachers' Retirement System.

16.3.3 An eligible unit member or eligible retired unit member hired before April 1, 1984, has a vested right to deferred compensation in the form of premium-free, retirement medical benefits will continue during the life of the retiree. Upon the death of the retiree, the retiree's spouse may continue group coverage at their own expense and with advance payments as determined by the District.

16.3.4 When two (2) District employees who are married retire, the District will pay the cost of only one medical insurance plan, to continue during their lifetimes. Should one or both employees be required to make a co-payment, this co-payment shall be the lesser of the two. If one is deceased, then the spouse can continue the District insurance plan based on their own earned rights for insurance.

16.3.5 The retired unit member may pay the additional premium(s) necessary to provide coverage for eligible dependents other than spouse.

16.3.6 The District medical plan will be limited to the coverage provided for active unit members. Medical insurance plans can be changed from one company to another by the retiree under age sixty-five (65) years once during the annual enrollment period established in the District. Changes between companies for retirees who are sixty-five (65) years and older will be subject to the policies in effect at that time by the insurance companies providing medical coverage.

16.3.7 Effective January 1, 1998, the following process shall be covered: District Coverage Limits

16.3.7.1 When an eligible unit member notifies the District of their intent to retire, the District will provide the unit member with information relating to retirement benefits. At the time of retirement, the retiree must be enrolled in a District group medical insurance plan, and be eligible for continuance under any special requirements which are part of that plan.

16.3.7.2 When a retired unit member or spouse who has been determined to be Medicare eligible reaches the age of sixty-five (65), it is understood that they must enroll in both Medicare Parts A, B and D during their initial enrollment period as specified by the Social Security Administration. To be eligible for the District paid Medicare Risk HMO or the Medicare Supplement (PPO), the retiree's spouse must enroll in the District program at the time of enrollment in Medicare Parts A, B and D. The District will cover the cost of Part B and D, either directly or via monthly reimbursement, as appropriate. If the retiree and/or their spouse are ineligible, they must show proof of the ineligibility.

16.3.7.3 It is understood that if in some future year, any of the current carriers are changed, the District does not have an obligation to replicate the coverage provided by a lost carrier. Additionally, both parties understand that the District's obligation does not include maintenance of a particular coverage that was available when the retiree left the District.

16.3.8 Out-of-Country Retirement Medical Coverage for Eligible Retirees
(This section only applies to unit members hired prior to July 1, 1984)

16.3.8.1 Election and Conditions

16.3.8.1.1 This option may be elected solely at the discretion of the retiree. It is available to all eligible current and former retirees any time they permanently move outside the U.S. where no current District retiree medical coverage exists.

16.3.8.1.2 The retiree must state in writing to the District that permanent residence is being taken outside the country at least sixty (60) days before the move occurs.

16.3.8.1.3 It is the retiree's sole responsibility to arrange for a personal (plus spouse) medical coverage policy with a foreign carrier. The District is not required to help in this search and is not responsible for the performance of the policy selected by the retiree.

16.3.8.1.4 A contract for the medical coverage must be sent to the District before any payments for the coverage are made. The contract must state the monthly premium rate for a period of one year.

16.3.8.1.5 The policy and payment method must be constructed in a way that prevents the District from incurring any tax liability (IRS or otherwise). IRS regulations preclude payment being made to the retiree. Payment must be made directly to the medical carrier.

16.3.8.1.6 District Responsibility

The District will pay to the retiree's foreign medical carrier a monthly amount up to the maximum monthly amount that is paid to a carrier for the working members of the bargaining unit at the time the coverage is initiated.

16.3.8.1.7 If the cost of the foreign medical coverage contract is not stated in U.S. currency, the monthly premium to be paid by the District shall be calculated based upon the foreign exchange rate on the day of receipt of the contract at the District Office. This fixed monthly payment shall be made by check directly to the foreign policy carrier on a monthly or quarterly basis (at the District's discretion) in U.S. funds and will not change for the duration of the one-year contract.

16.3.8.1.8 Retiree's Responsibility

The retiree will be responsible for any exchange rate fluctuations and will have to personally pay the difference between the exchanged funds received by the foreign carrier from the District and the cost of the policy.

16.3.8.1.9 The retiree must notify the District in writing each quarter that they are in need of continuing medical coverage. Failure to provide such notification will cause the District to withhold payment to the foreign policy carrier until such notice is received.

16.3.8.1.10 If the retiree wishes to change to a different foreign medical carrier, all the requirements and conditions noted above in Sections 16.3.8.1.1-16.3.8.1.9 must be satisfied under the new coverage policy before the change can occur. Changes can only be made during open enrollment periods or when the existing policy is no longer available.

16.3.8.1.11 If the retiree wishes to return to the U.S. as a permanent resident, written notice of such intent must be received by the District. The retiree will be allowed back into the plan within thirty-one (31) days of losing their other coverage and choose among policies available to retirees under the conditions of the current contract with the bargaining unit.

16.3.8.1.12 Unit members employed on or after July 1, 1984 will not be eligible for coverage set forth in this section.

16.4 Group Medical Insurance for Retirees Hired on or after July 1, 1984 through December 31, 2012. For unit members hired after the date referenced above, see Article 16.5

16.4.1 Definition

A “retired” employee shall be defined as one who has retired from District service and who is eligible for, or is receiving a retirement allowance from the Public Employees’ Retirement System or the State Teachers’ Retirement System.

16.4.2 Eligible Unit Members

Effective January 1, 1998 all eligible unit members employed on or after July 1, 1984, shall be able to participate in District group medical retirement benefits under the conditions stated in 16.4.3, 16.4.4 and 16.4.5, subject to the following understanding:

16.4.2.1 When an eligible unit member notifies the District of their intent to retire, the District will provide the unit member with information relating to retirement benefits. At the time of retirement, the retiree must be enrolled in a District group medical insurance plan, and be eligible under any special requirements which are part of that plan.

16.4.2.2 Both the District and the Union recognize that carriers, plans, and coverage’s available to retirees may change in the future. Retirees will be allowed to continue enrollment in District plans that are available to active employees at any time in future years, subject to any restrictions imposed as stated in 16.4.2.1. It is understood that if in some future year, any of the current carriers are changed, the District does not have an obligation to replicate the coverage provided by a lost carrier. Additionally, both parties understand that the District’s obligation does not include maintenance of a particular coverage that was available when the retiree left the District.

16.4.2.3 It is further understood that all retirees must meet the same conditions for continuous service before retirement as set forth in Article 16.3.1 in order to qualify for District Group medical benefits, namely, that the employee has rendered full-time service to the District at the age of retirement, including the five (5) years immediately preceding retirement, as follows:

Full-Time Service	Age at Retirement
15 Years	55 Years
14 Years	56 Years
13 Years	57 Years
12 Years	58 Years
11 Years	59 Years
10 Years	60 Years

The unit member is responsible for any costs associated with deductibles or co-payments.

16.4.2.4 A District-approved leave of absence to a maximum of one (1) school year within the past five (5) years shall be computed as fulfilling one (1) year of full-time required service, so far as this leave was granted in one Board action.

16.4.3 Coverage for Eligible Retirees Under the Age of Sixty-Five

16.4.3.1 The District’s premium payment for health benefits for a retiree under this section shall be limited to the cost of coverage equivalent to the most expensive Health Maintenance Organization (HMO) plan available to active employees during any particular year. The cost to the retiree is based on the retiree premium rate of the HMO plan in which the retiree is enrolled.

16.4.3.2 The District contribution toward group medical coverage for the retiree and spouse, until the affected retiree or spouse reaches age sixty-five or otherwise becomes eligible for Medicare Coverage, shall be limited to a percentage of the maximum health benefits contribution to premiums as cited above in 16.4.3.1. This percentage is determined from the table shown below.

This table, based upon years of service in the District and age at retirement, shows the percentage of the premium to be paid by the retiree. Beginning July 1, 2002, the retiree’s co-payment shall continue at this percentage level until the retiree reaches age sixty (60) or age of retirement, whichever is later, at which time the premium cost to employee shall freeze and remain at that maximum amount and not be increased. Any required co-payments must be made in advance to the District in order for coverage to continue.

65	0	0	0	0	0	0	0	0	0	0	0	0	0	0	0	0	0	0	0	0	0

The table is based on the following rule:

If the retiree's age plus years of service ≥ 85 , then their premium contribution is zero. Each decrease of one year in either age or years of service, increases the retiree's contribution by five percent (5%). If a retiree under this section enrolls in a plan that is costlier than the most expensive HMO (e.g. a PPO plan), they must pay the difference between the cost of the chosen plan and that of the most expensive HMO, in addition to the premium contribution for the most expensive HMO according to the matrix above.

Squares that show an X indicates that the retiree does not qualify for retirement medical coverage. (See Section 16.4.3.3 below.)

Example: An employee retires at age 60 with 23 years of service. The retiree's premium contribution continues for HMO-level coverage is ten percent (10%) of the cost of said coverage. The contribution continues until age 65. At age 65, the retiree must enroll in Medicare Parts A, B, and D.

16.4.4 Medical Coverage for Eligible Retirees Upon Reaching Age Sixty-Five

It is understood that Medicare regulations under Federal Law may change over time, and that these regulations take precedence over this Agreement in case of conflicting language.

- 16.4.4.1** A retiree must enroll in Medicare Parts A, B, and D during their initial enrollment period as specified by the Social Security Administration. If the retiree and/or their spouse are ineligible, they must show proof of the ineligibility. The District shall cover the cost of Medicare Parts B and D either directly or via monthly reimbursement, as appropriate. In addition, the District will pay the full premium of the highest Medicare Risk HMO plan available, unless the retiree selects a lower cost plan, in which case the District will pay the full premium cost of the plan selected. The plans available shall be identical to the HMO plans available to active unit members; however, retirees under this section shall not be required to contribute a share of the premium cost. If the unit member selects a coverage level higher than the highest Medicare Risk HMO [e.g., Medicare Supplement (PPO)], the unit member must pay the difference.
- 16.4.4.2** If a retiree fails to enroll in Medicare Parts A, B, and D during the Medicare Initial Enrollment Period, as specified above, they forfeit all rights to participate in any District sponsored group plans.
- 16.4.4.3** Furthermore, upon reaching age sixty-five (65), the spouse of a retiree must also enroll in Medicare Parts A, B, and D during their initial enrollment period as specified by the Social Security Administration, if the spouse wishes to continue group coverage under a District-sponsored group plan.
- 16.4.4.4** If the spouse of a retiree fails to enroll in Medicare Parts A, B, and D during their Medicare Initial Enrollment Period, as specified above, they forfeit all rights to participate in any District sponsored group plans.
- 16.4.4.5** If the retiree or spouse enrolls in Medicare and the other is not yet eligible for Medicare, then the one who is not eligible can continue group coverage at the rates charged the retiree under 16.4.3.2 until the spouse reaches age sixty-five (65) or otherwise becomes eligible for Medicare coverage.

16.4.5 Medical Coverage for Active Employees who are Age Sixty-Five or Older

Is subject to Federal Medicare Regulations and such unit members are advised to inform themselves about these regulations.

16.4.4 Medical Coverage for Eligible Retirees Upon Reaching Age Sixty-Five

It is understood that Medicare regulations under Federal Law may change over time, and that these regulations take precedence over this Agreement in case of conflicting language.

- 16.4.4.1** A retiree must enroll in Medicare Parts A, B, and D during their initial enrollment period as specified by the Social Security Administration. If the retiree and/or their spouse are ineligible, they must show proof of the ineligibility. The District shall cover the cost of Medicare Parts B and D either directly or via monthly reimbursement, as appropriate. In addition, the District will pay the full premium of the highest Medicare Risk HMO plan available, unless the retiree selects a lower cost plan, in which case the District will pay the full premium cost of the plan selected. The plans available shall be identical to the HMO plans available to active unit members; however, retirees under this section shall not be required to contribute a share of the premium cost. If the unit member selects a coverage level higher than the highest Medicare Risk HMO [e.g., Medicare Supplement (PPO)], the unit member must pay the difference.
- 16.4.4.2** If a retiree fails to enroll in Medicare Parts A, B, and D during the Medicare Initial Enrollment Period, as specified above, they forfeit all rights to participate in any District sponsored group plans.
- 16.4.4.3** Furthermore, upon reaching age sixty-five (65), the spouse of a retiree must also enroll in Medicare Parts A, B, and D during their initial enrollment period as specified by the Social Security Administration, if the spouse wishes to continue group coverage under a District-sponsored group plan.
- 16.4.4.4** If the spouse of a retiree fails to enroll in Medicare Parts A, B, and D during their Medicare Initial Enrollment Period, as specified above, they forfeit all rights to participate in any District sponsored group plans.
- 16.4.4.5** If the retiree or spouse enrolls in Medicare and the other is not yet eligible for Medicare, then the one who is not eligible can continue group coverage at the rates charged the retiree under 16.4.3.2 until the spouse reaches age sixty-five (65) or otherwise becomes eligible for Medicare coverage.

16.4.5 Medical Coverage for Active Employees who are Age Sixty-Five or Older

Is subject to Federal Medicare Regulations and such unit members are advised to inform themselves about these regulations.

16.4.6 Regular unit members who are absent because injury or illness, and who have (1) exhausted all paid leave, (2) are on leave of absence without pay, and (3) who are eligible for Group Medical Insurance for Retirees, shall continue to receive medical benefits without a break in coverage, so long as all of the aforesaid conditions still apply.

16.4.7 Length of Benefit. An eligible retired unit member under Section 16.4 has a vested right to deferred compensation in the form of retirement medical benefits that are premium-free up to the level of the most expensive Medicare Risk HMO that will continue during the life of the retiree. Upon the death of the retiree, the retiree's spouse may continue group coverage at their own expense and with advance payments as determined by the District, subject to the following:

16.4.7.1 Upon reaching age sixty-five (65), the spouse of a deceased retiree must also enroll in Medicare Parts A, B, and D during their initial enrollment period as specified by the Social Security Administration, if the spouse wishes to continue group coverage under a District-sponsored group plan at their own expense.

16.4.7.2 If the spouse of a deceased retiree fails to enroll in Medicare Parts A, B, and D during their Medicare Initial Enrollment Period, as specified above, they forfeit all rights to participate in any District-sponsored group plans.

16.4.7.3 Out of State/Local Area HMO Coverage for Eligible Retirees

Effective November 1, 2012, the District will offer additional options for eligible retirees under Section 16.4 who are living out of state, or out of the local area. Such options will include Kaiser coverage (subject to availability in the retiree's local area) and possibly a "Limited PPO" style plan. If the retiree opts to enroll in such a plan, the District's contribution to the premium shall be limited to the cost of the most expensive Medicare risk HMO the District provides to retirees within the CLPCCD service area.

16.4.8 When two District employees retire who are married, the District will pay the cost of only one medical insurance plan, to continue during their lifetimes. Should one or both employees be required to contribute a share of premiums, this contribution shall be the lesser of the two. If one is deceased, then the spouse can continue the District insurance plan based on their own earned rights for insurance, or those earned rights of the deceased spouse whichever are greater.

16.4.9 Payment of Premiums for eligible dependents. The retired unit member may pay the additional premium(s) necessary to provide coverage for eligible dependents other than the spouse.

16.4.10 Medical insurance plans can be changed from one company to another by the retiree once each year during the annual open enrollment period established by the District. Changes between health carriers for retirees will be subject to the policies in effect at that time by the carriers providing medical coverage. See Article 16.4.2.2 the parties agree to include selected out of District options.

16.4.11 Dental Coverage: The District shall offer retired eligible bargaining unit employees the opportunity to participate in the District's group dental plans. The retiree shall be responsible for the full cost of the premium.

16.5 Retiree Benefits for Employees Hired on or after January 1, 2013

16.5.1 Coverage Option for Retirees Under the Age of Sixty-five

A unit member hired on or after (January 1, 2013), who retires before reaching Medicare eligibility, may, at their option, participate in the District's group medical retirement benefits, by paying the full cost of premiums. It is understood that said premiums may be specially priced to the retiree's age class, and may be considerably more expensive than those paid for active employees.

16.5.2 Coverage Option After Enrolling in Medicare

After enrolling in Medicare, the retiree may, at their option, participate in the District's group medical retirement benefits, by paying the full cost of premiums.

16.5.3 Health Retirement Savings Plan/Health Reimbursement Account (HRA)

Effective January 1, 2013 the District shall establish a Health Retirement Savings Plan, or Health Reimbursement Account, or similar savings vehicle (here referred to as HRA) for unit member hired, for the purpose of funding the unit member's post-retirement health benefits.

It is understood that the future interest for this class of unit members shall be January 1, 2013. All unit members who are hired after January 1, 2013 shall be subject to the following HRA provisions:

- The District shall contribute \$200 monthly to the HRA of each unit member. The monies placed in each unit member's account will earn interest which will be credited to their account.
- In future years, the District and Service Employees International Union Local 1021 may agree to adjust the contribution amounts described above.

- A Service Employees International Union Local 1021 member's rights to the money the District deposited in the HRA shall vest in five (5) years from the permanent date of hire of the unit member.
- If a unit member works less than full-time hours (.5 FTE or more), then the District contribution shall be proportional to their FTE in the District.
- The District shall bear the full cost of administering the HRA and the separated employee shall bear the full cost of the distribution fee when a retired unit member accesses their share of the funds.
- If there is a forfeiture of the HRA, based on the unit member leaving District service before vesting, the monies which the District deposited on behalf of the unit member shall revert to the District for use in paying future contributions to eligible HRA members; and
- The Service Employees International Union Local 1021 and the District shall meet and negotiate over future changes in the Internal Revenue Service (IRS) regulations that may impact HRAs.

16.5.4 Dental and Vision Coverage

The District shall offer retired eligible employees the opportunity to participate in the District's group dental plans and vision plans, subject to plan provisions. The retiree shall be responsible for the full cost of the premiums.

16.6 Group Medical Insurance for Retirees Due to Disability

16.6.1 Coverage

The District will continue to pay the cost of a District group medical insurance plan for any unit member and spouse following retirement of the unit member from District service due to disability, provided that the unit member has attained the age of fifty (50) and has rendered ten (10) years' full-time service to the District at the age of retirement, including the five (5) years immediately preceding retirement.

16.6.2 Definition

A "disability-retired" unit member shall be defined as one who has involuntarily retired from service and resigned from the District due to disability and who is receiving a disability retirement allowance from the Public Employees' Retirement System or the State Teachers' Retirement System.

16.6.3 Term

A disability retiree who meets the minimum service requirements of ten (10) years' full-time service, including the five (5) years immediately preceding retirement, but who has not attained the age of fifty (50) years at the time of retirement may continue to receive medical insurance coverage from the District if the unit member chooses to continue coverage and agrees to pay quarterly the full amount of premium due to the District in one (1) advance quarterly payment. If such premium payments are continued without break by the unit member until attainment of age fifty (50), the District shall contribute towards the payment of health benefits in accordance with Section 16.4 above.

16.6.4 Benefits will continue during the life of the disability retiree. Upon the death of the retiree, the surviving spouse may continue Group coverage at their own expense and with advanced payments as determined by the District. If said retiree's spouse is employed by the District, in no instance will the District contribute more than the specified District contribution for one (1) medical plan covering unit member and spouse.

16.6.5 The disability-retired unit member may pay the additional premium(s) necessary to provide coverage for eligible dependents other than spouse, to be made by quarterly advance payments to the District.

16.6.6 Medical Eligibility

The District medical plans will be limited to the coverage provided for active unit members. The requirements cited in Section 16.3.7, apply to unit members who were employed on or before July 1, 1984, who are planning to take disability retirement. The requirements cited in Section 16.4.4, apply to unit members who were employed on or after July 1, 1984, who are planning to take disability retirement. Specific Medicare Regulations and protections apply to disability retirements and a unit member who is retiring under PERS or STRS disability provisions must consult the Social Security Administration for details.

Changes between companies for disability retirees will be subject to the policies in effect at the time by the insurance companies providing medical coverage. Also see Section 16.4.2.2.

16.7 Fringe Benefits Upon Death of Unit Member

Upon the death of a unit member, the District will provide continuation of the benefits as specified in Section 16.1 of this article for eligible dependents through the end of the month following one hundred and twenty (120) calendar days from the date of death of the unit member. Upon the death of a unit member, the surviving spouse or approved domestic partner may continue, at their own expense, the District's benefit programs with advance payments as determined by the District, and accepted by the insurance carrier. Also see Section 16.3.

16.8 Waiver of Rights by Retirees

Retirees who waive their rights to insurance benefits are ineligible for future reenrollment for benefits.

16.9 Change in Family Status Notification

It is the employee's and retiree's responsibility to notify the District of family status changes which may affect insurance coverage. Failure to notify the District of such changes shall cause the employee or retiree to be responsible for the cost of the insurance coverage for any period of time from the change thereafter.

16.10 Health Benefits Committee

The District agrees to participate in a health benefits committee. The parties shall develop a side letter of agreement regarding this committee following discussions with all interested parties on how it would work. The language of the side letter shall be developed by mutual agreement. The District and Union recognize that promoting employee health can improve overall well-being. The health benefits committee may also provide guidance and oversight on employee wellness initiatives.

16.11 Affordable Care Act (ACA) Re-Opener

During the term of this Agreement, the parties agree to re-open on benefits, if necessary, to ensure compliance with the Affordable Care Act (ACA).

Unit members assigned for the academic year shall be paid for the December and January holidays provided they were in a paid status during any portion of the working day of their normal assignment immediately preceding or succeeding the holiday period.

18.6.4 Employees with Non-Standard Workweek

When a unit member works a work week other than Monday through Friday, including Saturday or Sunday, and as a result the unit member loses a holiday to which they would otherwise be entitled, the District shall provide a substitute holiday off with regular pay. Such substitute holiday shall be taken either during the week prior to the holiday, or the week following unless otherwise authorized by the Chancellor, President, Vice Chancellor, or designee.

18.6.5 Employees Required to Work on Holiday

When a unit member is required to work on any holiday, the person shall be paid compensation for such work, in addition to the regular pay received for the holiday, and at double the regular rate of pay for the hours worked. No additional day off will be granted when compensation is paid.

**Memorandum Of Understanding
Between the Chabot Las-Positas Community College District and the
Service Employees International Union, Local 1021**

**Immigration Related Employee Procedures (Supplement to AP3415)
March 4, 2026**

This Memorandum of Understanding (MOU) is intended to address employment-related impacts on classified employees arising from immigration enforcement activities at District facilities.

The parties acknowledge Administrative Procedure 3415 (Immigration Enforcement Activities), adopted pursuant to Education Code §§ 66093 and 66093.3, which establishes procedures for responding to law enforcement access to campus facilities.

This MOU does not modify AP 3415. Rather, it supplements AP 3415 by establishing procedures affecting wages, hours, and working conditions of bargaining unit members.

1. Notice to Union

The District shall provide notice to SEIU Local 1021 within seventy-two (72) hours of receipt of any immigration related federal or state audit or data requests affecting bargaining unit members that otherwise would be subject to disclosure under California Public Records Act request or federal Freedom of Information Act request.

2. Leave for Immigration-Related Legal Proceedings

District reaffirms that Classified employees may use available paid leave (e.g., vacation, personal necessity, or compensatory time) to attend immigration-related legal appointments, hearings, or interviews, including proceedings involving immediate family members.

If no paid leave is available, the employee may request unpaid leave, which shall not be unreasonably denied. Reasonable verification may be required.

3. Reemployment Following Restoration of Work Authorization

Employees in good standing who are separated from the District solely due to the loss of valid work authorization shall be eligible for preferential reemployment, as described below, in classifications in which they had previously gained permanency if valid documentation is provided within twelve (12) months of the separation.

The District agrees to place the affected unit member, as described above, on a thirty-nine (39) month reemployment list independent of reemployment lists

required under the California Education Code and other articles within this agreement. Should the affected unit member become re-eligible for employment during this time period, the unit member shall be rehired into their former assignment if the assignment is vacant and is authorized to be filled. Upon reemployment, the unit member's previous seniority, accrued sick leave, vacation accrual rate, and salary step and range placement shall be restored.

Reemployment under this section shall not constitute a break in service for purposes of seniority accrual.

If reemployment is not immediately possible due to unresolved authorization status, the District and the Union shall meet to explore options to preserve the employment relationship consistent with applicable state and federal law.

This memorandum of understanding will sunset January 20, 2029.
