For all employees except some employees in Leisure Services and Public Works, this midpoint shall be on Friday. Any full day off (with or without pay) that is not a City holiday is not counted as a workday for the purpose of calculating the 7th consecutive day overtime. Base pay shall include straight time pay, acting pay and special assignment pay when calculating overtime pay.

A paid day off and/or any additional day off which occurs as a result of an alternative schedule shall be counted as a consecutive workday. Hours worked beyond twelve (12) consecutive hours shall be compensated at double time except that an employee called into work whose work period extends into the next working day shall be paid at the normal rate of pay during normal work hours. In a declared emergency, employees working (12) consecutive hours shall be compensated at the rate of double time, even if the twelve consecutive hours extend into the normal workday.

Department procedures for distribution or overtime work will not be changed to avoid the payment of double time. An employee may select compensatory time off in lieu of pay for overtime. In such a case, compensatory time off may be accrued to a maximum of one hundred fifty (150) hours. Hours earned beyond the maximum will be paid out in the employee's paycheck. Compensatory hours may be cashed out up to 120 hours at the end of the fiscal year only provided 80 hours of vacation and/or compensatory hours have been used.

Approval for the utilization of such leave shall be contingent upon the impact of operating requirements and funding available. No overtime shall be incurred by granting of compensatory time off requests. In non-emergency cases, the employee shall request use of compensatory time off forty-eight (48) hours in advance.

Seniority lists shall be established in each Public Works Department division by classification and all overtime hours worked shall be credited to each employee. The employee with the fewest number of credited overtime hours shall have the first overtime opportunity. In the case of an equal number of overtime hours worked, the most senior employee shall have the first overtime opportunity. In the event that no employee will voluntarily work offered overtime, the immediate supervisor may assign the employee with the least seniority in that classification to said overtime assignment. When the need for overtime is known sufficiently in advance, the City agrees to notify employee's three days prior to the actual overtime assignment. On June 30th of

each even numbered year, overtime hours accumulated for the purpose of assignment shall be reduced to zero.

Except in instances of emergency call-out, hold over (hold over shall mean continuation of a job or project in progress) or specialized skill related to equipment operation, all employees shall have an equal opportunity to work overtime. Hold over assignments which continue after the normal end of any regular workday may be assigned to the same employees who already were working on the job or project. No call-outs will be made from the established overtime assignment to assure continuity of the job or project.

4.3 MEAL ALLOWANCE

The City shall reimburse full-time employees up to \$10.00 for meals, or, at the City's option, provide an equivalent meal, when the employee works two (2) or more hours immediately following a regular shift and shall provide an additional \$10.00, or, at the City's option, provide an additional equivalent meal, for each additional four (4) hours of work thereafter. For example, an employee who works six (6) hours immediately following a regular shift could be reimbursed up to \$20.00 toward meals. Receipts are required for reimbursement.

4.4 EMERGENCY CALL-OUT

Emergency call-out lists will be established for emergency call-out purposes by Division. One list will include only those employees living within a twenty-mile radius of Union City and the second will include only those employees living outside a twenty-mile radius of Union City. In the event no employee residing within the twenty-mile limit is available for emergency call-out, those employees who live outside the twenty-mile limit shall be contacted for call-out.

SECTION 5.0 RETIREMENT BENEFITS

5.1 PUBLIC EMPLOYEES' RETIREMENT SYSTEM (PERS)

Consistent with its historical practice, the City pays and reports to CalPERS the full share of the employee's portion of the CalPERS contribution and reports the payments as Employer Paid Member Contributions (EPMC) on behalf of the CalPERS classic members. For classic members receiving payments based on the 2.5% at 55 formula, these payments are equal to 8% of the member employees' reportable income. For classic members receiving payments based on the 2% at 60 formula, these payments are equal to 7% of the member employees' reportable income.

A. CLASSIC MEMBERS

2.5 at 55: Classic Members hired prior to November 24, 2010, are provided benefits under the CalPERS 2.5% at 55 retirement formula. Beginning June 5, 2006, the City and SEIU agreed to employee cost sharing. The historical cost sharing payments made by these employees is as follows:

Any floating holiday hours not used within the fiscal year earned may not be accumulated. The City shall determine the number of holidays falling on a Dark (non-working) Friday for which an employee shall be eligible for floating holiday time prior to the end of July of each year and credit the employee's floating holiday bank with the appropriate number of hours in the pay period prior to the period that the Dark (non-working) Friday falls.

If an employee is hired from City employment during the fiscal year the number of floating holiday accruals shall be prorated based on when the floating holiday occurs.

Leave taken subject to this provision is not reportable to CalPERS and is excluded from service and pension consideration. Included in the calculation of the 176 hours granted will be compensation for any waiting period, however, not included would be related medical appointments. Following exhaustion of this benefit, an employee may utilize accumulated sick leave to the extent available to make up the difference between said employee's regular pay and their disability compensation allowance.

An employee unable to perform all the normal and regular job assignments due to the on- the job injury or illness, may be assigned to modified duty function by the supervisor, when such assignments are authorized and approved by the attending physician and when appropriate work assignments are available.

Personal leave shall not be used as a substitute for, or in conjunction with vacation leave, nor shall it be used to attend social activities. A maximum of eight (8) hours of personal leave, not used during the fiscal year may be accumulated in addition to the regular 20-hour allowance, increasing the personal leave allowance to twenty-four (28) hours within the fiscal year.

For employees who have accumulated 200 hours of sick leave as of July 1 of each year, the City will convert twelve (12) additional hours of accumulated sick leave for personal leave purpose. Personal leave hours credited under this provision are non-cumulative. The maximum balance for personal leave is forty (40) hours.

A. ADMINISTRATION

It is expressly understood that as long as the employee complies with the request deadline and form completion requirements, the only additional inquiry that can be made by a supervisor/management staff member is whether the reason for Personal Leave request can be accomplished other than during the employee's regular work hours.

The employee must request personal leave if non-emergency, at least two (2) workdays prior to time of utilization on the form provided. In cases of emergency, the two (2) workday notification procedure may be waived by the immediate supervisor, provided the form is completed and the reason for the request is stated.

Employees shall, whenever possible, make appointments for medical, dental, and similar purposes on non-work hours. If this is not possible, sick leave may be used for these purposes for a minimum of one (1) hour and shall not exceed four (4) hours except in unusual circumstances. Absence for illness may not be charged to sick leave if not already accumulated by the employee. It is the City's intent that discussions regarding an employee's attendance take place in conditions that ensure the employee's privacy rights are safeguarded.

Employees who become ill during a scheduled vacation may have sick leave substituted for vacation hours for the days/hours of the illness/injury, provided a medical verification of treatment from the attending physician is provided promptly on return to work. An employee unable to perform all the normal and regular job assignments due to personal illness or non-job-related injury, may request light duty assignments in lieu of sick leave absence, when such assignments are authorized in writing by the employee's attending physician. Light duty assignments are subject to work availability and approval by the supervisor.

B. SICK LEAVE NOTICE & CERTIFICATION

In order to receive compensation while absent on sick leave, the employee or someone on their behalf shall notify their immediate supervisor prior to or within one (1) hour after the time set for reporting to work except in unusual circumstances. When absence is for three (3) or more consecutive workdays, the employer may require the employee to- file a physician's certificate stating cause of absence with the supervisor, for forwarding to the Human Resource Department. Requests for an unpaid leave of absence for the birth or adoption of a child may be submitted pursuant to this provision, and consistent with Administrative Policy Memorandum #21 and the Family Medical Leave Act. Whenever granted, such leave shall be in writing and signed by the City Manager. Upon expiration of such a leave, the employee shall be reinstated to the position held at the time the leave was granted and said employee shall retain their seniority based on years of service earned prior to the leave of absence. Failure of the employees to report promptly at the expiration of the leave of absence or within a reasonable time after notice to return to duty shall terminate their right to be reinstated.

Notwithstanding the above, the City will comply with the provisions of the Family Medical Leave Act of 1993, effective February 5, 1994, and the California Family Rights Act of 1991, as amended and defined by regulations to be issued by the State Department of Fair Employment and Housing and the U.S. Department of Labor.

If the employee reaches maximum accrual, they will no longer accrue vacation until their excess vacation balance is below the required cap.

Employees must take a minimum of 40 hours vacation and/or compensatory time per fiscal year. Employees not using at least 40 hours vacation and/or compensation time off per fiscal year shall have their accumulated vacation allowance charged for the difference between actual vacation leave taken and 40 hours.

Employees absent without pay for more than 36 hours during a pay period do not earn vacation benefits for that pay period.

Under the following conditions employees may make an irrevocable election to sell back to the City up to eighty (80) hours of accrued vacation leave per fiscal year at the employee's base rate of pay. To remain eligible for distribution, the following must be true:

- The employee must have taken a minimum of eighty (80) hours of vacation and/or compensatory time off in the preceding twelve (12) months.

Said recommendation(s) must be accepted by both the Union and the City Council in order to become effective.

In the event the recommendation(s) is rejected by either party, the action previously taken, or any compromise settlement reached in Steps 1 through 3 of the appeal procedure shall stand, or other action by the City Council or Union may be considered. The Factfinder shall have no power to make recommendation(s), which would change, add, delete, or otherwise amend this Agreement or Rules, Regulations or Resolution of the City by reason of their recommendation(s), but shall be limited to the interpretation thereof. Parties who have direct knowledge of circumstances relating to the appeal may be present at the request of either party during any stage of the proceedings. In the case of employees, they shall be compensated at their regular rate of pay for actual time spent in such meetings. The time between the steps of the appeal procedure may be extended by mutual agreement; requests for an agreement to extend the deadline shall be confirmed in writing.

Failure by the employee or Union to follow the time limits unless extended by mutual agreement shall cause the appeal to be considered withdrawn. Failure by the City to follow time limits unless extended by mutual agreement shall cause the appeal to be deemed settled in favor of the employee.

SECTION 11.0 MISCELLANEOUS PROVISIONS

11.1 EDUCATION REIMBURSEMENT

When an employee voluntarily and with prior approval of the Human Resources Director undertakes any education or training program that will improve their skills and abilities in relation to the job, the City will reimburse the employee upon successful completion of the course for the cost of the course or training. The reimbursement will be limited to \$1,500 per year. If the books are turned over to the City upon course completion, the City shall reimburse the employee for the cost of the books. When the class is of unusual value and cannot be rescheduled during the employee's off hours, the employee may be excused at no loss of pay.

11.2 BENEFICIAL PRACTICES

City agrees that, as a result of signing this agreement, rules or regulations or practices regarding wages, hours and other terms and conditions of employment will not be changed without prior negotiations as provided by State law.

The City shall create a labor/management committee consisting of the Union President and one other individual designated by the Union, at least 45 days prior to releasing a Request for

Proposals to replace existing work performed by the bargaining unit that will require the layoff of employees in the bargaining unit. The Committee shall meet to discuss the following:

- Review the proposed scope of the work to be covered in the RFP.
- Review the current cost for the City to provide the service.
- Determine if there are any ways to reduce the current cost for providing the service.

After meeting with the Union, the City shall determine if the need still exists to issue the RFP. If the RFP results in a lower cost, the City shall have the right to accept the RFP.

The City will give the Union two (2) weeks' notice prior to contracting out bargaining unit work which does not result in a reduction of force.

11.4 HEALTH AND SAFETY

In the event an employee has justifiable reason to believe that safety and health are in danger due to an alleged unsafe working condition, or alleged unsafe equipment, he/she shall immediately inform their supervisor who shall have the responsibility to determine what action, if any, should be taken. Should equipment be necessary, the City shall make every effort to acquire it in an expeditious manner, contingent on available funds. An employee may be reassigned to perform other duties pending full investigation of the alleged unsafe condition and/or equipment and corrective action being taken. In addition, the City agrees to maintain a Safety Committee, which will make recommendations on health and safety issues that occur in the workplace. In order to provide a safe and healthy place to work, the City agrees to comply with laws applicable to its operations concerning the safety of employees covered by this agreement. It is the responsibility of both represented and management employees to comply with all safety rules and regulations established by the City.

11.5 FILLING OF VACANCIES

The City agrees that it will make all reasonable efforts to ensure that vacancies occurring in bargaining unit positions are filled within six (6) months of the occurrence of the vacancy. However, the City shall not be deemed in violation of this provision if extenuating circumstances occur; such extenuating circumstances may be, but are not limited to, special recruitment considerations and/or classification/organizational issues. In the event a position cannot be filled within six (6) months, the City will notify the Union in a timely manner. In the event of extended authorized industrial injury, personal or temporary leaves of absence, the Union agrees that the City may make temporary appointments consistent with applicable City Personnel Rules to ensure that services continue to be provided.

11.6 PERSONNEL FILES

A Written Reprimand in an employee's personnel file will be removed from the file one year after date of issuance. Removal of a Written Reprimand from an employee's personnel file is subject to the following:

- A written request for removal of a Written Reprimand, from the affected employee, is received by the Human Resources Department.
- No additional disciplinary action has been imposed upon the affected employee within the one-year period following issuance of the initial Written Reprimand.

11.7 SAVINGS CLAUSE

In the event any provision of the Agreement is declared by a court of competent jurisdiction to be illegal or unenforceable, such nullification shall not affect any other provisions of the Agreement and the parties shall renegotiate the voided section to conform as nearly as possible to the original intent.

11.8 REVIEW OF OPERATIONAL ITEMS OF MUTUAL INTEREST

The parties agree that the Executive Board and Management (Human Resources Director and Deputy City Manager) will continue to meet on a monthly basis to review operational items of mutual interest.

11.9 SEPARABILITY

In the event that any portion of this Agreement shall be held to be in violation of any federal or state law or final judicial decision of a court of competent jurisdiction, the balance of the Agreement shall continue in full force and effect, and the parties shall within 60 days of such determination, commence negotiations to re-write the affected provision(s) to remedy the legal defect(s) and to conform as closely as possible to the intent of the original language.

SECTION 12.0 TRANSFER AND PROMOTION PROCEDURES

Such request must be made in writing to the Department Head and Human Resources Director and must be received prior to the final filing date of the recruitment process as established by the Human Resources Department. The Department Head shall have the discretion to deny the request or recommend that the action be approved by the Appointing Authority. In the event of approval, the employee shall be subject to a six-month probationary period, regardless of step placement within the salary range. It is understood that part-time employees as defined above, may apply for movement to a full-time vacant position in another department. However, approval of such action shall occur only with the consent of both department heads as specified in Section 8.04 of the Personnel Rules, and the affected employee shall serve a six (6) month probationary period.

12.1 REALLOCATION OF POSITION

The City agrees to conduct a Certification Analysis in instances where a part-time position is reallocated to a different City classification on a full-time regular basis, provided that no full-time regular employees in the classification request transfer. LETTER OF AGREEMENT

9/80 ALTERNATE WORK SCHEDULE

1. IMPLEMENTATION

A. WORK PERIOD DEFINED

For employees working a 9/80 schedule, the workweek for purposes of weekly overtime shall commence and end at the midpoint of their regular work schedule on the employee's 8-hour workday. For all employees, this midpoint shall be on Friday. Supervisor will be responsible for monitoring employees' hours to ensure they do not work overtime inadvertently or without prior approval. The timecard of an employee who works their regular 9/80 schedule and doesn't work overtime during a pay period shall show a total of eighty (80) hours.

A 9/80 work plan is a schedule that allows an individual to work eighty (80) hours in nine (9) days and have the tenth day in the two-week period off. In order to accomplish this, an individual will work nine (9) hours on Monday, Tuesday, Wednesday, and Thursday each week. During the first week, the individual will work eight (8) hours on Friday and in the second week the individual will have Friday off except for employees in Leisure Services who will develop a 9/80 schedule which alternates their additional weekday off. Consistent with Section 4.02 Overtime of the City-SEIU 790 MOU, overtime compensation will be paid for assigned hours worked in excess of the normal workday (8 or 9 hours, depending on scheduling) and/or the normal work week

B. DAYS OFF

Every other Friday shall be the designated day off. This will concentrate the effect of the alternate work schedule (AWS) and make it easier to plan work schedules and meetings. It is understood that there should be fewer day/hours off for medical appointments, personnel leave, etc., since staff is encouraged to schedule these on their day off.

C. VACATION

The employee will be charged for the number of hours that they would have been scheduled to work during the period they are on vacation, i.e., vacation is Monday - Friday, the hours during that period could be either 44 or 36 depending on the individual's schedule.

D. SICK LEAVE

A day sick would be charged as nine (9) hours unless the sick day falls on the normally schedule eight (8) hour day. No adjustments or allowances are made for illness on a normally scheduled day off.

E. BEREAVEMENT LEAVE

Leave time requested under Section 6.04 shall be converted to hours based on a 9-hour day unless the bereavement day falls on the normally scheduled eight (8) hour day.

Bereavement Leave: Five (5) days allowed, equivalent to forty (40) hours.

F. MILITARY LEAVE, JURY DUTY

If the duration of leave is expected to be longer than one week, the employee will automatically convert to a five-day, forty-hour (5/40) week at the beginning of the work period in which the military leave or jury duty is scheduled to begin. After completion, the employee may return to the 9/80 program at the beginning of the next work period after their return.

G. LUNCH PERIOD/BREAKS

For City Hall employees, in addition to a one (1) hour unpaid lunch, one 15-minute break in the morning, and one in the afternoon, are permitted for employees participating in the plan, schedule according to departmental needs. Unused break time is forfeited and may not be used to extend the meal period or reduce the workday.

Corporation Yard employees shall also be entitled to one 15-minute break in the morning and one 15-minute break in the afternoon.

H. EXCEPTIONS

It may be necessary to have staff members revert to a 5/40 schedule due to operational requirements. This will occur only on a case-by-case basis as recommended by the Department Head and authorized by the City Manager. In such instance, the City shall provide the Union and affected employees with ten (10) working days' notice prior to such change. The Maintenance II Public Works position shall not work the 9/80 schedule.

In rare instances, employees may be asked/required to work on their day off. If this occurs, the member will receive either compensatory time or overtime as provided in Section 4.02 of the M.O.U.

I. WORKDAY

All participating employees in City Hall shall work 8:00a.m. to 6:00p.m. on the nine (9) hour days; on the eight (8) hour days, the schedule shall be 8:00a.m. to 5:00p.m. with one hour for lunch. The public reception/service counters in City Hall shall remain open to the public on both the 8-hour and 9-hour workdays from 12:00p.m. to 1:00p.m. Employees at the Corporation yard shall work 7:00a.m. until 4:30p.m. on the 9-hour workday, with a half hour unpaid lunch; on the eight (8) hour day, employees shall work 7:00a.m. to 3:30p.m. with a half-hour unpaid lunch.
